Daniel The Prophet 35 Simple Studies In:

Daniel the Prophet Martin Ralph DeHaan, 1947 *Daniel the Prophet* M.R. DeHaan, 1980 *Daniel the Prophet* Martin Ralph De Haan, 1947 *Christian Zionism* Stephen Sizer, 2021-09-13 I am glad to commend Stephen Sizer's groundbreaking critique of Christian Zionism. His comprehensive overview of its roots, its theological basis, and its political consequences is very timely. I myself believe that Zionism, both political and Christian, is incompatible with biblical faith. Stephen's book has helped to reinforce this conviction. Rev. Dr. John Stott: I believe Stephen Sizer is one of the most authoritative scholars in the world on the vital issue of Christian Zionism. He is a very important voice speaking out against this destructive movement that is killing us Palestinians through its theology. Canon Naim Ateek: Stephen Sizer's *Christian Zionism: Road Map to Armageddon* is essential reading for any Western evangelical trying to understand the religious dimensions of American support for Israel. Sizer writes as an insider within the church, not as a critic watching from afar. And he shows with exacting clarity how evangelical eschatology has now embedded itself in a modern political ideology. One quick read of this book will change anyone's perspective on the Middle East permanently. Professor Gary M. Burge: Congratulations on *Christian Zionism*. The index alone makes my mouth water, since this is the scholarly treatment to counteract the rabid prophecy pack for which I had been searching. I couldn't be happier that this is published. You and I see eye to eye on this issue. Yours is a true prophetic voice, so badly needed in the current prophecy frenzy. And when this mania also affects national and international policy, the danger takes on larger proportions. Professor Paul Maier: Stephen Sizer's work on Christian Zionism is the most important and comprehensive on the subject to date and should be read by all students of the Middle East and by Christians concerned about a just resolution to the Palestinian-Israeli conflict. Christian Zionism raises vital theological and political challenges that must be addressed head-on by Christians in the West, particularly evangelicals. The impact of this terribly misguided movement is increasingly putting Christians in the Middle East at risk, and it seems a far cry from the witness and message of Jesus Christ. Dr. Donald Wagner: This study of Christian Zionism, based on Stephen Sizer's doctoral thesis, is of seminal significance. It provides a fascinating survey of the history of Christian Zionism and an in-depth analysis of the theology of this highly important and influential movement. Rabbi Professor Dan Cohn-Sherbok **The Bible Instructor** Louise C. Kleuser, 2007. Scores of competent Bible instructors have contributed experiences and observations for the pages of this long-awaited handbook of counsel and instruction in the art of giving Bible readings. The personal and spiritual requirements for Bible teaching, the problems that confront every Bible instructor, the psychology of approach, the various methods of cooperating with evangelistic efforts, sample outline studies—all form a part of the contents of this volume. It will prove not only a handbook of procedure for beginners but also a real inspiration to seasoned workers in the field of evangelism. Every pastor and evangelist, as well as their Bible assistants and lay workers, will find it useful. **The Publishers' Trade List Annual**, 1905 Catalog of Copyright Entries, Third Series Library of Congress.
