Marcus Callies, Marta Degani

Discourse Of Classified Advertising Exploring The Nature Of Linguistic Simplicity:

The Discourse of Classified Advertising Paul Bruthiaux, 1996 He then examines aspects of their conventions to highlight the role of prepatterned and prefabricated segments whose collocational rigidity may force the inclusion of otherwise dispensable items He finds that there is indeed significant variation across ad categories in terms of syntactic elaboration and links this to variation in the need to be explicit as well as in anticipation of interaction between writer and reader

Persuasion Across Genres Helena Halmari, Tuija Virtanen, 2005 Persuasion in its various linguistic forms enters our lives daily Politicians and the news media attempt to change or confirm our beliefs while advertisers try to bend our tastes toward buying their products Persuasion goes on in courtrooms universities and the business world Persuasion pervades interpersonal relations in all social spheres public and private And persuasion reaches us via a large number of genres and their intricate interplay This volume brings together nine chapters which investigate some of the typical genres of modern persuasion Using both quantitative and qualitative methods the authors explore the linguistic features of successful and unsuccessful persuasion and the reasons for the variation of persuasive choices as realized in various genres business negotiations judicial argumentation political speech advertising newspaper editorials and news writing In the final chapter the editors tie together the two themes persuasion and genres by proposing an Intergenre Model This model assumes that a powerful force behind generic evolution is the perennial need for implicit persuasion

Cultural Linguistics and World Englishes Marzieh Sadeghpour, Farzad Sharifian, 2020-12-04 This book investigates the study of World Englishes from the perspective of Cultural Linguistics a theoretical and analytical framework for cultural cognition cultural conceptualisations and language that employs and expands on the analytical tools and theoretical advancements in a number of disciplines including cognitive psychology science anthropology distributed cognition and complexity science The field of World Englishes has long focused on the sociolinguistic and applied linguistic study of varieties of English Cultural Linguistics is now opening a new venue for research on World Englishes by exploring cultural conceptualisations underlying different varieties of English The book explores ways in which the analytical framework of Cultural Linguistics may be employed to study varieties of English around the globe

The Routledge Handbook of Corpus Linguistics Anne O'Keeffe, Michael McCarthy, 2010-04-05 The Routledge Handbook of Corpus Linguistics provides a timely overview of a dynamic and rapidly growing area with a widely applied methodology Through the electronic analysis of large bodies of text corpus linguistics demonstrates and supports linguistic statements and assumptions In recent years it has seen an ever widening application in a variety of fields computational linguistics discourse analysis forensic linguistics pragmatics and translation studies Bringing together experts in the key areas of development and change the handbook is structured around six themes which take the reader through building and designing a corpus to using a corpus to study literature and translation A comprehensive introduction covers the historical development of the field and its growing influence and application in other areas

Structured around five headings for ease of reference each contribution includes further reading sections with three to five key texts highlighted and annotated to facilitate further exploration of the topics

Australian Mothering Carla Pascoe Leahy, Petra Bueskens, 2020-01-28 This collection defines the field of maternal studies in Australia for the first time Leading motherhood researchers explore how mothering has evolved across Australian history as well as the joys and challenges of being a mother today The contributors cover pregnancy birth relationships childcare domestic violence time use work welfare policy and psychology from a diverse range of maternal perspectives Utilising a matricentric feminist framework Australian Mothering foregrounds the experiences emotions and perspectives of mothers to better understand how Australian motherhood has developed historically and contemporaneously Drawing upon their combined sociological and historical expertise Bueskens and Pascoe Leahy have carefully curated a collection that presents compelling research on past and present perspectives on maternity in Australia which will be relevant to researchers advocates and policy makers interested in the changing role of mothers in Australian society

Notes on Linguistics ,1998 *Pragmatics in Persuasive Discourse of Spanish Television Advertising* Karol J. Hardin, 2001 This investigation analyzes pragmatic ways in which Spanish is used to achieve persuasion in television advertising The author applies pragmatic models to commercials for products and services from three countries Chile Spain and the United States She addresses the questions 1 Which pragmatic devices occur most frequently 2 How are these devices linguistically coded 3 Are any differences evident between regional varieties of Spanish and 4 How are pragmalinguistic features of television advertising used to effect persuasion The most representative variables include

speech acts indexicals politeness implicatures violations of Grice's Maxims and speaker considerations The study contributes to the cross linguistic understanding of pragmatics and of persuasion in Spanish by 1 offering a procedure that may be replicated 2 addressing multiple pragmatic categories and 3 examining the relationship between pragmatic strategies and persuasion among Spanish speakers Given the vital role of the media in society Spanish television advertising reflects the pragmatic communication of persuasion by and to Spanish speakers *Pragmática de discurso persuasivo de publicidad de televisión en español* Esta investigación analiza las maneras pragmáticas en las cuales se usa el español para persuadir en la publicidad de televisión y contribuye al entendimiento lingüístico de pragmática y persuasión en español El libro está escrito en inglés
