Let Love Find You John Selby,2011-08-31 You are looking for love but never seem to meet the person of your dreams Where are you going wrong How can you invite true love and sexual satisfaction into your life John Selby has the answers to these and any other questions you may have about improving your love life and creating relationships that work With tried and tested techniques expert guidance and inspiring examples he explains how

you can overcome the barriers that lie between you and the love of your life You will discover how to heal past hurts boost your sex appeal give out all the right signals make the most of each encounter and find the partner who is right for you Your perfect lover is out there somewhere Let Love Find You will show you how to bring that special person into your life *The Choices We Make* Robert "Sinti" Maahs, 2021-08-12 Book Prisons in our country are dark places that can either transform a person into a monster or even a healer of the hurt and damaged who live behind the high walls topped with razor wire and gun towers It has been many years since I underwent my own personal transformation It was a time when I often struggled finding workshops or even materials to help me turn my life around I made myself a promise to find some way to help others holding on to hope not to struggle to find what they needed to make change happen in their own lives in the best way I could Prison life can suck the hope from your soul if you let it See a long 38 years ago I made a choice that was not only wrong but also cost a person his life unnecessarily and me the last 38 years of my own life locked away in a California prison I live with this shame and regret every day committed to being a better person worthy of redemption I was looking at life in prison and I knew I could not continue to live a life of chaos even though I lived in an environment full of chaos Something had to change It started with me I watched many in prison struggle with their own process of changing just as I had Education gave rise to a field of knowledge that helped me understand how and why we make the choices we make I wanted to reach out to the many that ask themselves this very question why do I make the choices I make In prison it is well understood that hurt people hurt others while healed people heal others I owe a debt that can never be repaid in full yet I know I must try I owe this to those whose lives I have impacted by my past choices Everyday I do what I can to make a positive impact in the lives of others whether through teach writing books and designing programs or simple conversation It is no longer about me It is about others who may be struggling in their journey through life I found that when we have no understanding of our place in the world or meaning in life we struggle We make faulty choices and we can make some mistakes in life s journey that are very costly Understanding Choice Theory can help us find some answers we need to turn it all around I felt it was important to have a body of knowledge available to help all those who struggle in their own search for answers another tool in your cognitive tool box to help you make your transformational process a reality so that you can live your best possible life regardless of your situation Take a moment and learn a little about how we can find that meaning in life s journey while putting Choice Theory to work in our own life You do not have to struggle to meet your needs in life However you do have to understand that your choices have consequences and affect more than just you Why Buy We live in times of great question and unrest Societies around the world are asking themselves what is the meaning of my existence in life and what choices do I have in my current journey through life While we struggle to satisfy those questions in a meaningful way we are pressed with some hardcore challenges filled with chaotic messaging on what the future holds We can only control how we choose to respond to any given situation by the attitude we take in life Choice theory gives us a look into how we make the choices we

make If you want better outcomes in your life understanding the Dynamics of Choice Theory can help you be your best possible self Pickup the book and put some new tools into your cognitive toolbox You have more to gain than you have to lose than you will ever know 60
