Create Mini Brands That Feel Premium: The Creator's Shortcut To High Value Sybex Books, 2025-06-23 You don't need a big company to feel like a big deal. *Create Mini Brands That Feel Premium* is your fast track guide to launching small focused high impact brands that feel elevated, look refined and convert like crazy. In today's digital economy, attention is short but perceived value is everything. This book shows you how to position even the tiniest offer or service as premium from day one. Inside you'll learn how to craft brand identities that feel bigger than they are through design, language, packaging and psychology. Whether you're launching a digital product, personal brand, workshop or one off offer, you'll learn how to give it a unique personality that commands attention and respect. This isn't about faking luxury or pretending to be something you're not. It's about amplifying clarity, consistency and character so your brand communicates authority even with minimal content or assets. You'll also discover the power of brand stacking: how to create multiple micro brands under your umbrella that allow you to pivot, expand or cross sell effortlessly. If you're tired of blending in, tired of building slow or tired of being overlooked because your business seems small, this is your blueprint. Because in today's world, the size of your audience doesn't determine your value; your positioning does. Make it sharp. Make it premium. Make it impossible to ignore, even if it's built in a weekend.

Digital Content Marketing Agata Krowinska, Christof Backhaus, Benjamin Becker, Fabian Bosser, 2023-11-23 *Digital Content Marketing: Creating Value in Practice* introduces the principles of the content marketing discipline and serves as a guide to any professional or student who wants to learn how to successfully plan and implement digital content marketing strategies and tactics. Filled with contemporary examples of the most successful creative content marketing practices, case studies and professional advice from subject experts, this text offers an in-depth view of the world of content marketing from a value-based perspective. The textbook also includes practical advice on content marketing ideation, content management and content curation, as well as offering recommendations for the best content marketing software. The textbook offers a good balance of both theory and practice and is suitable for advanced undergraduate students and postgraduate students studying content marketing, digital marketing or social media marketing. Support material includes an instructor manual, chapter by chapter PowerPoint slides and a test bank of exam questions.

Media Authorship Cynthia Chris, David A. Gerstner, 2013 Contemporary media authorship is frequently collaborative, participatory, non-site specific or quite simply goes unrecognized. In this volume, media and film scholars explore the theoretical debates around authorship, intention and identity within the rapidly transforming and globalized culture industry of new media. Defining media broadly across a range of creative artifacts and production cultures, from visual arts to videogames, from textiles to television, contributors consider authoring practices of artists, designers, do-it-yourselfers, media professionals, scholars and others. Specifically, they ask: What constitutes media and authorship in a technologically converged, globally conglomerated, multiplatform environment for the production and distribution of content? What can we learn from cinematic and literary models of authorship and critiques of

those models with regard to authorship not only in television and recorded music but also interactive media such as videogames and the Internet How do we conceive of authorship through practices in which users generate content collaboratively or via appropriation What institutional prerogatives and legal debates around intellectual property rights fair use and copyright bear on concepts of authorship in new media By addressing these issues Media Authorship demonstrates that the concept of authorship as formulated in literary and film studies is reinvigorated contested remade even reauthored by new practices in the digital media environment *Handbook on Big Data Marketing and Management in Tourism and Hospitality* Nikolaos Stylos,Jeremy Zwiegelaar,2025-04-09 This comprehensive Handbook serves as a key reference for Big Data theorization and implementation that will drive the next generation of marketing and management in tourism and hospitality It explores the need for systemizing knowledge around using Big Data in decision making and how the service industries are heavily influenced by data driven sciences and their relevant applications *Virtual Production* Mark Sawicki,Juniko Moody,2025-06-30 This book written by industry experts provides a comprehensive understanding of virtual production processes concepts and technology helping readers get to grips with this nascent technology Topics covered are the history of virtual production underlying technologies creative potential and production workflows In addition it delivers a detailed overview of the virtual production pipeline from pre production planning to post production finishing Each chapter explains specific aspects of virtual production such as real time rendering motion capture virtual cameras LED screens game engines and collaborative workflows Additionally the book examines virtual production s ethical and cultural implications including the impact on actors the representation of diverse voices and the democratization of filmmaking Whether you re a student teacher or industry professional Virtual Production will provide you with a solid foundation for comprehending the fundamental concepts behind a constantly evolving and intricate process *ECEL 2019 18th European Conference on e-Learning* Rikke Ørngreen,Bente Meyer,Mie Buhl ,2019-11-07 Get Vocal for Local Arvin Subramanian,2020-11-05 Excellent work Very relevant examples included including some very recent too Great synthesis of essentials of marketing communications in the modern context Mayur Abhaya Managing Director Lifecell International Arvin Subramanian has put together simple techniques that can be applied by today s marketers in preparing effective digital content strategies for a brand In current times the need to connect with your audience locally is paramount and this book helps put that core thought into pragmatic solutions Manish Kishore Surej Salim Founders Digitally Inspired Media About the book Today India is seeing tremendous internet penetration Especially regional users are adopting the internet at a rapid pace This opens up phenomenal opportunities for brands to further expand and cater to such a new internet audience But the challenge for brands is that consumers from each regional market is starkly unique and different from each other Brands cannot operate with one size fits for all strategy in this kind of situation This handbook talks about the various stages and processes involved in customizing content strategy to craft the brand s regional narrative **Digital Marketing Strategies for Fashion and**
