Discipled Leader Preston Poore, 2021-07-20 A must read for every leader Dan T Cathy Chairman and CEO at Chick fil A Inc Preston Poore has spent decades in corporate America Despite all the excellent advice he was given for growing in leadership there was something missing a way to bring his Christian beliefs to bear in his professional life not just his personal life So Preston sought his own answer to how his faith could impact his management of hundreds of employees What he discovered was this the first step wasn't adjusting his leadership style Instead he needed to let God change him before he could effect real change in his workplace And in order to model discipleship to his team he needed to first be discipled by the Spirit Here in the day to day practice of being a disciple of Jesus Christ Poore found where his faith and exceptional leadership intersect Through personal stories biblical principles and hands on workplace guidance Poore offers readers a unique look at this seldom discussed connection He challenges struggling leaders to engage in the hard work of daily discipleship And he charges experienced leaders to return to the fundamentals of their faith encouraging them to disciple other Christians with leadership potential For anyone wrestling with how to bring faith to the workplace whether it be a cubicle or a boardroom Discipled Leader reveals that leadership doesn't begin behind the desk it begins in the soul

The Master's Plan for You Jim Dyett, Jim Russell, 2002-12 **Discipled Leadership** Rev. Benjamin A. Vima, 2018-12-18 The content of the book is a keen observation and thorough analysis and transparent proclamation on Church leadership with all its bright and dark sides as of today In the light of Jesus Gospel democracy leadership here zooms out to all humans who have committed to Jesus as their Master who has granted them reciprocally in their Baptismal birth a big share in his leadership Together with leadership right Jesus too has put before them many demanding missives and indispensable duties to be fulfilled This book is made of three sections Genesis of discipled leadership Master's personal demands from discipled leaders and His official demands from them in executing discipled leadership It is a book of the day when thousand and one heinous complains and reports blasted out in social media against the political and social leadership and very sadly against religious and spiritual leaders Some of those reports may be probably out of proportion but almost 85% of them are experiential legally investigated and publicly confessed and testified by so many eyewitnesses Author Fr Vima assures if the content of the book is meditated and prayed chapter by chapter there will be lot of spiritual and mental gain and support for the readers especially those who struggle in their management of critical leadership in the Church environment **Its All**
