Disciplining Hermeneutics Interpretation In Christian Perspective

Kathleen A. Cahalan, Gordon S. Mikoski

Disciplining Hermeneutics Interpretation In Christian Perspective:

Disciplining Hermeneutics Roger Lundin, 1997 The question of interpretation is as old as language itself In today's postmodern context however the task of hermeneutics has become frustratingly complex This timely collection of essays by ten leading scholars explores the diversity of contemporary Christian hermeneutical theory and practice The format of the book consists of a major essay and a response in each of four disciplines philosophy English sociology and theology leading to differences in definition and practice but with the common framework of a Christian perspective In their insightful handling of the most challenging contemporary issues and literature on interpretive theory the authors seek to negotiate the narrow straits between absolute certainty and interpretive license And as they chart the turbulent waters of the postmodern world they serve as savvy guides to assist us in our difficult passage to the truth

On Being a Christian in the Academy

Andrew Sloane, 2007-01-01 Having identified crucial flaws in both classical foundationalism and cognitive relativism Andrew Sloane expounds Wolterstorff's theory of rationality and his understanding of the devising and weighing of theories The role of control beliefs in scholarship and the place of Christian beliefs in the practice of Christian scholarship are explored The author then critically appraises Wolterstorff's view in dialogue with its rivals He presents a defensible person specific but nonrelativist criterion of theory choice and outlines an organic epistemological metaphor The book concludes by exploring the implications of these findings for theological scholarship in particular Old Testament exegesis The author suggests that Wolterstorff's notion of scholarly practice explains the practice of scholarship and is to be commended to Christian scholars as a cogent and challenging method of devising and appraising theories

Spiritual Reading Angela Lou Harvey, 2015-10-23

Reading Scripture is a spiritual practice at the very heart of the Christian faith But how is it possible to encounter God in reading the words of the Bible Does reading the Christian Bible require a different approach from how one may read other texts or writings What is required of the spiritual reader to read well Seeking to answer such questions Angela Lou Harvey provides a theological exploration of the idea of spiritual reading in the context of the Western church today Drawing upon insights of theologians such as Karl Barth Henri de Lubac and Ellen F Davis the author suggests that the particulars of Christian belief profoundly shape the distinctive practice of the spiritual reading of the Bible Faith and Learning David S. Dockery, 2012-05-01 Faith and learning scholarship and piety Christian tradition and intellectual inquiry head and hearts How do these things come together in an informative enriching and interdependent way The calling of Christian higher education is to reflect the life of Christ and to shine the light of truth That distinctive mission cannot be forced into an either or framework but rather a both and calling It is a commitment to Jesus Christ himself who is both fully God and fully human and who for Christian educators is both light and life This multi authored volume with dynamic contributions from entry level faculty members to seasoned scholars explores the question of the Christian faith's place on the university campus whether in administrative matters the broader academic world or in student life Philosophy Sociology Science Arts Business Media Faith and Learning explores how significant Christian thinkers have addressed such topics and their related issues throughout the history of the church The historical theological and biblical framework will help students interact with and engage contemporary challenges to the Christian faith in the various fields of study and inquiry Contributors include Harry L Poe Gene C Fant Jr Ken Magnuson Klaus Issler Gregory A Thornbury Taylor Worley John T Netland Scott Huelin James A Patterson Hunter Baker Roman R Williams Steve Halla Christopher W Mathews Kevin Trowbridge Mark Bolyard Jeannette Russ E Blake Watkins Mary Anne Poe Emily Lean Thomas Rosebrough Ralph Leverett Kimberly C Thornbury and C Ben Mitchell The Futures of Evangelicalism Craig G. Is There a Meaning in this Text? Kevin J. Vanhoozer, 2009 Written by a brilliant young author this book develops an evangelical theological hermeneutic that sees meaning in the text of Scripture *"The Eyes of Your Heart"* Alison Searle, 2009-04-01 This book develops a theory of imagining biblically that explores the contributions scripture can make to a new way of thinking about creativity reading interpretation and criticism The methodology employed in order to demonstrate this thesis consists of a theoretical exploration of current theological understandings of the imagination and their implications within the fields of literary studies The biblical texts locates the function generally defined as imagination in the heart the eyes of your heart Ephesians 1:18 This book assesses what the biblical text as a literary and religious document contributes to the concept of imagination Due to the eclectic nature of the individual books that comprise the scriptural

canon the text is considered primarily in terms of its overarching metanarrative language genres and theological propositions Tracing the various trajectories the biblical text opens up and the ways in which they intersect with and modify post Romantic assumptions about the imagination reconfigures traditional definitions of this concept A Calvinistic evangelical hermeneutic is deployed to establish a theoretical concept of what it means to imagine biblically This is further substantiated by a comparative study of authors ranging from the seventeenth to the twentieth centuries John Bunyan Samuel Rutherford Jane Austen Charlotte Bronte and C S Lewis Each author s chapter incorporates a close reading of a key text which concretely examines various trajectories of imagining biblically including creativity faith morals narrative Romanticism and eschatology The conclusion returns to the biblical text and draws these elements together with a definition of the concept of imagining biblically and its implications for literary studies *The Promise of Hermeneutics* Roger Lundin,Anthony C. Thiselton,Clarence Walhout,1999 This work presents an interdisciplinary study of the nature and scope of interpretation The three authors bring the resources of the Bible Christian tradition and intellectual history to bear upon contemporary hermeneutical disputes Representing a complete revision of *The Responsibility of Hermeneutics* 1985 this substantially expanded volume has been brought up to date with recent work in hermeneutics and sets forth an important new perspective that shifts the interpretive focus from the past to the promise of the future Making use of the best insights from current theories about language interpretation and the nature of the self *The Promise of Hermeneutics* demonstrates how an encounter with contemporary interpretive theory can deepen the church s own hermeneutical practices The authors also show how the Christian faith can help move us beyond the many impasses created by postmodern thought From publisher s description **Christian Scholar's Review** ,2004 *A Strategy for Reading Biblical Texts* Johnson T. K. Lim,2002 A Strategy of Reading Biblical Texts provides a fresh impetus to the ongoing debate of hermeneutics and methods in biblical scholarship by examining three core hermeneutical strategies These are author oriented text oriented and reader oriented approaches It also critiques the contributions and limitations of each strategy and argues for a hermeneutical strategy that takes into account the micro and macro biblical corpora Readers are challenged to apply basic hermeneutical protocols when reading biblical texts A theological reading of the biblical texts is crucial and vital because the Bible is a theological document This book also addresses some of the pivotal but nagging questions of meaning authority and the reader s context *Christianity & Literature* ,1998 *The Bible and the Crisis of Meaning* Christopher Spinks,2007-10-30 The book presents an account of the recent debates on the theological interpretation of scripture which considers whether the meaning of scripture should concern theologians and church leaders at all *Journal of Theological Interpretation* ,2007 **Missionalia** ,2002 Contains abstracts of missiological contributions book reviews and articles **Elenchus of Biblica** **1998** Robert Althann,2002-12-31 *A Postcolonial Commentary on the New Testament Writings* Fernando F.
