Discourses Of Power From Hobbes To Foucault

Stewart R. Clegg

Discourses Of Power From Hobbes To Foucault:

Discourses of Power Barry Hindess, 1996 *A History of Modern Political Thought* Gary Browning, 2016-10-13 How are we to understand past political thinkers Is it a matter simply of reading their texts again and again Do we have to relate past texts of political thought to the contexts in which ideas were composed and in which the aims of past thinkers were formulated Or should past political theories be deconstructed so as to uncover not what their authors maintain but what the texts reveal In this book theories of interpreting past political thinkers are examined and the interpretive methods of a range of theories are reviewed including those of Hegel Marx Oakeshott Collingwood the Cambridge School Foucault Derrida and Gadamer The application of these theories of interpretation to notable modern political theorists Machiavelli Hobbes Locke Rousseau Kant Hegel Marx Bentham Mill Nietzsche and Beauvoir is then used as a way of understanding modern political thought and of assessing interpretive theories of past political thought The result is a book which sees the history of modern political thought as more than a procession of political theories but rather as a reflection on the meaning of past political thought and its interpretation It provides a way of reading the history of modern political thought in which the question of interpretation matters both for understanding how we interpret the past but also for considering what it means to undertake political thinking

Biopower, Racism, State Racism and The Modern/Post Modern North Atlantic State: Michel Foucault's Genealogy of the Historico-Political Discourse of Race War Deconstructed Daurius Figueira ,2018-09-02 The wave of white supremacist discourse impacting North Atlantic politics in the 21st century is yet to be effectively explained by linking this political reality to the power relations of these North Atlantic States This book presents this analysis by deconstructing a genealogy of the historico political discourse of race war Michel Foucault presented in his 1976 public lecture at the College de France where the key discursive concepts of Biopower Racism and State Racism formulated by Michel Foucault expose the nexus between racism and the nature of the North Atlantic State This book insists that in the 21st century North Atlantic hegemonic austere neo liberal financial market capitalism is now utilising a discourse of paranoid extremist militarist white supremacist discourse with a siege mentality to maintain its hegemony over its world empire potentially reflected in the politics of the North Atlantic

Frameworks of Power Stewart R. Clegg, 2023-04-05 Frameworks of Power is a coherent and comprehensive account of the different frameworks for understanding power that have been advanced by influential thinkers across the social sciences A true classic in the field the original edition proved hugely influential and a major point of reference for scholars at all levels concerned with power Looking back to the classical literature on power with special emphasis on Machiavelli and Hobbes the book concentrates on the analysis of power from both British and American social and political theorists and from German Critical Theory and French theorists such as Foucault and develops upon its theory and its application The second edition includes a completely new chapter A History of the Present which offers a timely engaging and provocative intervention by analysing three contemporary crises the COVID

19 pandemic Russia's invasion of Ukraine and climate change using the circuits of power framework that was the central concept of the original work. As well as being an essential textbook for all students in social science disciplines, this wide-ranging and innovative analysis will appeal to scholars in sociology, politics, organization studies and other disciplines.

Hegemony and Power Howard H. Lentner, Mark Haugaard, 2006-07-24 This book provides the first systematic examination of the relationship of hegemony and power. Nine essays delve into the diverse analytical aspects of the two concepts and an introduction and conclusion by the editors respectively forge a synthesis of their theoretical coherence. Hegemony has long existed as a term in political science, international relations and social theory but its meaning varies across these fields. While each has developed its own local language games for treating the idea, they all conceptualize hegemony as a form of power. Building on the recent rigorous exposition of power, this book subjects hegemony to a clarifying debate. In doing so, it advances the power debate. Components of the literature assume a relationship between power and hegemony but no previous work has performed a concentrated and consistent analytical examination of them until now. **A**

Hermeneutics of Violence Mark M. Ayyash, 2019-09-09 Attention to the elusiveness of violence opens up a rich landscape of analysis whereby social scientists can examine the often overlooked transformative dimensions of violent acts. Theories of violence are numerous today but because of the mysterious nature of violence and how each individual or group may endure it uniquely, its study cannot be limited to one specialized and highly restricted field. *A Hermeneutics of Violence* seeks to remedy this problem by placing in dialogue various theories of violence from the disciplines of anthropology, sociology, international relations and philosophy. This study uses a four-dimensional lens to examine the many facets of violence including its instrumental, linguistic, mimetic and transcendental dimensions. Far from irreconcilable, these positions when placed within a four-dimensional outlook open up new avenues for the study of particular cases of violence. Exploring the complex interactions for instance of enemy siblings, Mark M. Ayyash reveals postures of incommensurability that continuously produce conflictual positions across a spectrum of time and space and demand the release of violence. The book concludes that these postures must be understood and deconstructed before we can have a legitimate chance to achieve peace and justice, the conceptions of which must come with the intent of not necessarily opposing violence but rather replacing our conceptions of what the violences have come to constitute as real. **Nietzsche, Power and Politics** Herman

Siemens, Vasti Roodt, 2008 Nietzsche's legacy for political thought is a highly contested area of research today. With papers representing a broad range of positions, this collection takes stock of the central controversies: Nietzsche as political anti-political thinker, Nietzsche and contra democracy, Arendt and contra Nietzsche, as well as new research on key concepts: power, the agon, aristocracy, friendship, i a on historical, contemporary and futural aspects of Nietzsche's political thought. International contributors include well-known names: Conway Ansell Pearson, Hatab, Taureck, Patton, Connolly, Villa van Tongeren and young emerging scholars from various disciplines. **Discourse, Power and Justice** Michael Adler, Brian

Longhurst,2002-03-11 First Published in 1994 Discourse Power and Justice is a distinctive and theoretically informed empirical study of the administration of the Scottish prison system It is based on extensive research and combines theoretical innovation with detailed empirical evidence The book is located at the confluence of two academic traditions and their associated literatures socio legal studies and the sociology of knowledge which are combined to produce a novel theoretical framework The authors focus on the activities of those who manage the prison system They identify the most important social actors in the prison system located both historically and comparatively and examine their characteristic forms of discourse A number of crucial areas of decision making are analysed in depth including decisions about the initial classification of prisoners transfers between establishments and the allocation of prisoners to different forms of work Another major focus is on the different forms and mechanisms of accountability and the book concludes with an analysis of recent policy changes Discourse Power and Justice will be essential reading for both students and practitioners in sociology social policy criminology and law

Power Mark Haugaard,2002 An introductory guide to some of the most significant perspectives on the subject of power within social and political theory Contains extracts from such leading contemporary thinkers as Giddens Lukes and Bourdieu alongside recent conceptions of power from important twentieth century figures including Weber Arendt and Foucault Each chapter concentrates on an individual theoretical perspective and contains a substantial article or extract with its own comprehensive introduction which places the work in context An excellent point of departure for understanding more about social and political power

Post-colonialism D. Pal S. Ahluwalia,1997

A Foucault Primer Alec McHoul,Alec McHoul; Wendy Grace both of Murdoch University, Melbourne, Australia.,McHoul, Alec; Grace, Wendy,Wendy Grace,2015-03-24 Who are we today That deceptively simple question continued to be asked by the French historian and philosopher Michel Foucault who for the last three decades has had a profound influence on English speaking scholars in the humanities and social sciences This text is designed for undergraduates and others who feel in need of some assistance when coming to grips with Foucault s voluminous and complex writings Instead of dealing with them chronologically however this book concentrates on some of their central concepts primarily Foucault s rethinking of the categories of discourse power and the subject Foucault s writings contribute collectively to what he himself calls an ontology of the present His historical research was always geared towards showing how things could have been and still could be otherwise This is especially the case with respect to the production of human subjects

Manuel Castells: From the informational city to the information age Frank Webster,Basil Dimitriou,2004 These volumes bring together major critical responses to and engagement with the work of Manuel Castells Arguably the leading analyst of the current age Castells magnum opus The Information Age has been compared to the work of Karl Marx and Max Weber His concept of the network society has influenced much recent social science and his ideas have been adopted in political and policy circles The volumes provide an unparalleled guide to the work of Castells They demonstrate the roots of his thinking in Marxism and the shifts in his

perspective The selection is based along two principles the chronological development of his thought and the sequence of his major publications Included here are critical engagements with Castells work on the urban question the city and grassroots Marxism the Information Age the network society power and identity the new economy and the sociology of social movements Volume 1 Marxism France and The Urban Question to The City and the Grassroots This volume addresses Castells engagement with the study of urban social movements protest in urban politics collective consumption states markets and welfare urban sociology and class Volume 2 From the Informational City to the Information Age This volume examines the theorizing of new industrial urban space the dynamics of urban change the roots of the network society the failure of social theory resisting globalization the development of global thinking globalization and identity Volume 3 The Information Age This volume addresses the character of information technologies the political economy of network society inequality and modernization in the information age the self and the net space flows and timeless space contested power grassroots environmental movements cognitions emotions and identities digital commerce and technology and cultural power

□□□□□□,2005 A History of Political Thought Bruce Haddock,2008-09-22 This book is a comprehensive introduction to the history of political thought tracing the development of arguments and controversies from ancient Greece through different forms of community state and empire to today's global concerns Bruce Haddock highlights the bewildering variety of contexts that have framed political thinking yet also displays structural features that have proved to be remarkably stable over time An important theme in the book is the need to see political philosophy even in its most abstract formulations as a response to historically contingent circumstances without limiting its relevance to those circumstances The emphasis throughout is on political thinking as a response to hard choices Major thinkers covered include Plato Aristotle Augustine Aquinas Machiavelli Grotius Locke Spinoza Montesquieu Hume Kant Rousseau Burke Hegel Marx Mill Lenin Schmitt Nietzsche Foucault Oakeshott and Rawls The book treats political philosophy and theory as a tentative engagement with a fractured and controversial past Yet political thinking remains the exercise of a burden of a responsibility that is inescapable for us Haddock introduces a history that continues to shape our understanding of ourselves as political and historical creatures A History of Political Thought will be of interest to students and scholars of politics history and philosophy **A**

Study of Liberation Discourse Roberto Rivera,2004 This book counters postmodernist critiques of liberation discourses by drawing on the contributions to hermeneutics made by Paul Ricoeur and Jürgen Habermas Ultimately its defense of liberation discourses relies on the concept of transculturation as developed by Fernando Ortiz A Study of Liberation Discourse extends this concept in the light of contributions to the theory of ideology by such authors as Valentin Volosinov Michel Pecheux Terry Eagleton and Norman Fairclough Histoire Sociale,2002 **Living Political Ideas** Geoff Andrews,Michael Saward,2005 This book aims to show that political ideas theories ideologies live in two senses ordinary people live their consequences and they change and adapt with the rhythms of political life It explores key political ideas in depth

interrogating them through historical and conceptual analysis and case materials *Legitimacy in an Age of Global Politics*
Achim Hurrelmann, Steffen Schneider, Jens Steffek, 2007-10-11 In spite of the conspicuous lack of normatively plausible
alternatives to liberal democracy it is now widely held that the age of globalization has ushered in serious challenges to the
democratic legitimacy of the nation state This alleged crisis of the western nation state seems to be compounded by the
legitimacy deficits of newly emerging governance structures at the international and supranational level The contributors to
this book explore the frontiers of normative and empirical legitimacy research whilst drawing upon a range of pertinent
conceptual and methodological issues **Frameworks of Power** Stewart Clegg, 1989-07-17 This textbook provides a
coherent and comprehensive account of the different frameworks for understanding power which have been advanced within
the social sciences Though looking back to the classical literature on power with special emphasis on Machiavelli and Hobbes
the book concentrates on the modern analysis of power from both British and American social and political theorists and
from German Critical Theory and French theorists such as Foucault and develops upon its theory and its application Not only
does the book provide an overview of the various frameworks of power advanced by these and other influential thinkers but it
also develops a new synthesis based on important work in both the sociology of science **Comparative Studies of South
Asia, Africa, and the Middle East** ,1998

Discourses Of Power From Hobbes To Foucault Introduction

In the digital age, access to information has become easier than ever before. The ability to download Discourses Of Power From Hobbes To Foucault has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Discourses Of Power From Hobbes To Foucault has opened up a world of possibilities. Downloading Discourses Of Power From Hobbes To Foucault provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Discourses Of Power From Hobbes To Foucault has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Discourses Of Power From Hobbes To Foucault. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Discourses Of Power From Hobbes To Foucault. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Discourses Of Power From Hobbes To Foucault, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Discourses Of Power From Hobbes To Foucault has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing

so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Discourses Of Power From Hobbes To Foucault Books

1. Where can I buy Discourses Of Power From Hobbes To Foucault books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Discourses Of Power From Hobbes To Foucault book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
