How Do I Hybrid Work Schedule For Women:

The Working Homemaker Charity Gibson, 2024-09-30 Homemaking is about values and priorities rather than job status It's time to ditch the notion that women who work outside the home are not homemakers and redefine homemaking as nurturing relationships and cultivating a lifestyle that allows for flourishing within the home as well as eventually extending beyond Working Christian mamas can nurture thriving homelives for their families by cultivating relationships setting healthy routines and embracing simplicity to practice kingdom living A woman's homelife and work life can be molded to honor God our families and our employers when homemaking is valued and prioritized The Working Homemaker encourages countercultural simplicity relationships healthy household rhythms margin in schedules and if possible work flexibility Homemaking is not just what we do at home but also the choices we make regarding being away from home that allow for our time at home to be lifegiving Who is this book for Working moms Moms who are considering employment Working women who are considering motherhood Anyone else who wants to better understand and support working moms *Don't Fix Women* Joy Burnford, 2022-11-14 Business Book Awards 2023 Finalist Read this and be the change that's needed Prof Helen Pankhurst CBE Here at last is a book that aims to change the narrative and fix the system Every boss should have a copy Kate Bassett Financial Times Joy clearly articulates the benefits of diversity and the systemic reasons it has proven elusive but this book's power lies in its tangible and practical solutions Nathan Coe CEO Auto Trader Group Plc Struggling to find ways to retain and reward women and meet your diversity targets Wondering why your female led diversity initiatives are not working Don't Fix Women reveals how achieving gender balance at work isn't about fixing the women it's about changing the system Packed with simple practical recommendations this book provides a route map to improve gender equality in your organization develop a truly diverse modern leadership culture and reap the rewards that this brings Be informed Learn from over 100 senior business leaders and CEOs about what they are doing to accelerate progress towards gender equality Be ahead of the game Access research data new tools and frameworks for your leadership kitbag Be the change Discover practical actions to help you make change happen in your organization today As a curator of confidence and with over 70 articles published on Forbes.com Joy Burnford has inspired thousands of women across the globe to find their confidence But this is only one side of the equation Her research makes it clear that making women more confident isn't enough we also need to change the organizations they work for to clear the path for true gender equality *Flexible Lives* Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this

reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in Culture and Organization and are accompanied by an updated Introduction and a new Epilogue

Sociology, Work, and Organisations Brian McDonough, Jane Parry, 2024-10-23 This accessible edited collection provides global context for undergraduate and postgraduate students studying the sociology of work and organisations Composed of short example led chapters this book covers a wide range of contemporary topics including the COVID 19 pandemic the digitalisation of work the gig economy and the shifting roles of women and other marginalised groups The book s innovative approach uses case studies as diverse as work life balance in China gender pay inequity in Britain and Germany and the exploitation of workers on the Mexico US border to incorporate perspectives from both the Global North and South and provide students with the tools to analyse new developments in the rapidly changing world of work The book is particularly concerned with inequalities and marginalisation in the workplace discussing discrimination against women ethnic minorities migrants and older workers The book also explores how increasing digitalisation the rise of the gig economy and the COVID 19 pandemic have impacted working practices and how this relates to precarious employment Other chapters are dedicated to issues of workplace organisation including female leadership work life balance and well being The book goes on to explore how climate change and policies such as Universal Basic Income may shape the future of work in the near future Each chapter also includes useful pedagogical resources including practice exam questions key concepts and definitions and further readings Therefore the book will be therefore essential reading for undergraduate and postgraduate students studying the sociology of work business management and organisation
