**Pandemic Pedagogies** J. Michael Ryan,2023-01-31 Pandemic Pedagogies Teaching and Learning during the COVID 19 Pandemic provides critical insights into the impact of the pandemic on the education system pedagogical approaches and educational inequalities Education is often touted as the best way to promote social mobility and produce informed members of society The pandemic has significantly threatened those goals by temporarily disrupting education and exacerbating disparities in the education system The scholarship in this volume takes a closer look at many of the issues at the heart of the

educational process including teacher self efficacy the gendered and racialized impacts of the pandemic on education school closures and institutional responses Drawing on the expertise of scholars from around the world the work presented here represents a remarkable diversity and quality of impassioned scholarship on the impact of COVID 19 and is a timely and critical advance in knowledge related to the pandemic Flexible Lives Stefanie Reissner, Michal Izak, 2025-08-07 This geographically and methodologically diverse volume shines the spotlight on a variety of flexible working practices beyond the predominantly Western perspective and zooms in on the gendered aspects of flexible working The increasing use of flexible work arrangements has decoupled work from time and space making the world of work and home increasingly fluid and challenging to manage The Covid 19 pandemic in particular has been a catalyst for questioning accepted norms of where when and how work takes place This book seeks to explore the impact which this reshaping of traditional modes of working has had on workplace interactions and relationships as well as on managing the boundaries between familial and working lives In this way this collection contributes to a wider dialogue concerning the flexibility challenges encountered by white collar workers which is needed now more than ever This book will be relevant to scholars practitioners and policymakers in the fields of gender studies organizational behavior human resources and labor economics It will be particularly useful for those examining the impact of remote work the future of work organizational culture and the social and economic implications of shifting work practices The chapters in this book were originally published in *Culture and Organization* and are accompanied by an updated Introduction and a new Epilogue Interdisciplinary Perspectives on Special and Inclusive Education in a Volatile, Uncertain, Complex & Ambiguous (VUCA) World Pennee Narot, Narong Kiettikunwong, 2023-06-29 The COVID 19 pandemic is an extreme case of a VUCA Volatile Uncertain Complex and Ambiguous event that grants the opportunity to examine whether special and inclusive education is fully prepared for these complex situations *Digital Etiquette For Dummies* Eric Butow, Kendra Losee, Kelly Noble Mirabella, 2022-04-26 Mind your online P s and Q s with this expert digital manners guide Conducting yourself online can be challenging It sometimes seems like the web and social media is tailor made to cause upset and anger But with the right guide anyone can learn how to be a beacon of civility and politeness online In *Digital Etiquette For Dummies* a team of online communication experts share their combined insights into improving your presence on social media writing emails that exude positivity and clarity behaving correctly in virtual meetings and much more You ll become a paragon of politeness as you learn to apply the timeless rules of etiquette to the unique environment of the web social media email Zoom and smartphones In this book you ll also Learn near universal etiquette rules for email social media cellphones and more Discover ways to make sure that your polite attitude isn t being lost in the text only context of a business email Avoid common social media pitfalls and digital faux pas that can trip up even the most careful communicators A great handbook for anyone who uses digital communication in business or in their personal life so pretty much everyone *Digital Etiquette For Dummies* also belongs on the reading lists of those trying to
