How Thailand's Move Forward Party's Fandom Strategy Shaped the 2023 General Election Alexandra

Colombier,2024-03-12 The concept of political fandom the state of being fans of a politician or of a political party played a crucial role during Thailand's General Election in 2023 Fandom contributed to the popularity on social media of politicians such as Pita Limjaroenrat the Move Forward Party's leader and prime ministerial candidate The strategies involved in achieving celebrity status for politicians are varied This paper provides a case study of the factors behind the success of Pita and the Move Forward Party and contrasts these with reasons why Pita's key political opponents were less effective It argues that the digital age and the transcendence of politics into pop culture where celebrity status and fandom can drive electoral outcomes signify a profound shift in democratic participation political engagement and the very fabric of Thai politics While fandom has become a stream in participatory democracy it also highlights the polarized and temperamental nature of Thailand's contemporary hyper partisan political scene

DADLY Dollar\$: How Marketing to Dads Will Increase Revenue and Strengthen Families Hogan Hilling, Tom Konecny, Don Hudson, 2017-06-18 The idea of marketing to dads is as unconventional as a dad who chooses to relinquish his role as the primary breadwinner to become the primary caregiver for his family But as the at home dad movement has demonstrated since the birth of the National At Home Dad Network in 1996 it has had a profound impact in the changing role of today's modern dads who now view parenting as a shared responsibility One of which is as the primary or part time shopper for their families Since dads represent half the parenting population this book raises the following questions Why don't companies view marketing to dads as an opportunity to increase revenue and potential profits Why do companies and advertisers

continue to ignore the purchasing power of dads Why haven't companies conducted extensive studies on how dads buy products and services and also how to reach and connect with dads Research clearly shows that the dynamics of today's families and role of parents continue to evolve Yet companies and advertisers continue to use old school marketing strategies with mom as its primary target audience Yes the thought of dads as a potential primary or even part time shopper is hard to embrace as it was decades ago when companies shied away from the thought of a woman becoming the primary breadwinner The success of women in corporate America alone should indicate the reason for a change in a company or advertiser's marketing strategy DADLY Dollars will introduce companies and advertisers to a new untapped consumer dads It will also teach them how to reach and connect with dads market to dads capitalize on their purchasing power and how marketing to dads will increase their revenue profit and brand loyalty In addition it will also show a company the overall benefits to the economy families and communities *The Publishers Weekly*, 1907

The Life-changing Magic of a Little Bit of Mess Kerri Sackville, 2022-04-01 The only domestic bible you'll need There is nothing more satisfying than a beautifully organised home say the homeinspo influencers In an era of decluttering gurus cleaning bloggers and aspirational pantries Kerri Sackville has studied the evidence and declared Nah way too much trouble Instead she has embraced domestic imperfection and discovered the life changing magic of letting your standards slip In this her magnum opus Kerri explains why cleanliness is not next to godliness why decluttering is the enemy of joy and why no one cares about your messy bedroom With affirmations for the mess challenged DisarrayIsOkay cleaning hacks that actually work Don't Have Children and recipes for people who hate washing up Step One download a meal delivery app this book will inspire you to tear off those rubber gloves put down the sponge and take a nap Whether you have surrendered in your war on dust or are still bravely fighting for ordered folds in fitted sheets *The Life changing Magic of a Little Bit of Mess* is a welcome dose of inspo that transports you to the joyous world of imperfection Because no one has ever looked back on their life and wished they'd spent more time scrubbing the floors *The Washington Post Index*, 1989
