Peterson,1992 **Flyboys** James Bradley,2009 Now in *Flyboys* Bradley returns to World War II and an extraordinary and totally unknown true story of courage Over the remote Pacific island of Chichi Jima nine American flyers Navy and Marine airmen sent to bomb Japanese communications towers were shot down One of those nine was miraculously rescued by a U S Navy submarine The others were captured by Japanese soldiers on Chichi Jima and held prisoner Then they disappeared When the war was over the American government along with the Japanese covered up everything that had happened on Chichi Jima The records of a top secret military tribunal were sealed the lives of the eight *Flyboys* were erased and the parents brothers sisters and sweethearts they left behind were left to wonder *Flyboys* reveals for the first time ever the extraordinary story of those men Bradley s quest for the truth took him from dusty attics in American small towns to untapped government archives containing classified documents to the heart of Japan and finally to Chichi Jima itself What he discovered was a mystery that dated back far before World War II back 150 years to America s expansion and Japan s first confrontation with the western world Bradley brings into vivid focus these brave young men who went to war for their country and through their lives he also tells the larger story of two nations in a hellish war With no easy moralizing Bradley presents history in all its savage complexity including the Japanese warrior mentality that fostered inhuman brutality and the U S military strategy that justified attacks on millions of civilians And after almost sixty years of mystery Bradley finally reveals the fate of the eight American *Flyboys* all of whom would ultimately face a moment and a decision that few of us can even imagine *Flyboys* is a story of war and horror but also of friendship and honor It is about how we die and how we live including the tale of the *Flyboy* who escaped capture a young Navy pilot named George H W Bush who would one day become president of the United States A masterpiece of historical narrative *Flyboys* will change forever our understanding of the Pacific war and the very things we fight for Jacket **Airpower Journal** ,1998 **The First Team and the Guadalcanal Campaign** John B. Lundstrom,1994 Victory in the Pacific depended upon superior tactics and doctrine and the lessons learned at Guadalcanal paid great dividends later in the war *The Cumulative Book Index* ,1991 A world list of books in the English language **America's Civil War** ,1993 Personal Perspectives Timothy C. Dowling,2005-09-27 Presents twelve essays written by scholars and authors who relate their experiences during World War Two including Japanese Americans in internment camps the Blitz in England African and Native Americans in the military and much more **AB Bookman's Weekly** ,1997 **Iron Admirals** Ronald Andidora,2000-03-30 Andidora tells the story of four men who successfully commanded battlefleets in the 20th century Japan s Heihachiro Togo England s John Jellicoe and America s William Halsey and Raymond Spruance This study

provides personality profiles and detailed accounts of their major battles Analyzing their command decisions based on what each commander knew or could have reasonably inferred at the time decisions were made Andidora compares their accomplishments to those of Horatio Nelson who delivered stunning naval victories for England during the Napoleonic Wars However he concludes that the Nelsonian standard is inappropriate in the modern naval environment due to the increased size and technological complexity of modern fleets and the political imperative to preserve costly and strategically significant naval assets Trained in England and acquiring the skill and spirit of Nelson s heirs Togo annihilated his Russian opponents at the Battle of Tsushima in the Russo Japanese War and therefore produced the 20th century s only facsimile of Nelson s Trafalgar Despite heavy losses against a numerically inferior German Navy at Jutland Jellicoe s single minded adherence to an unpopular strategy would prove instrumental in achieving final victory in the First World War Although strikingly different in personality and leadership style Halsey and Spruance would both do their part in the naval battles of the Second World War In the Battle of the Philippine Sea Spruance would deal Japanese naval aviation a blow from which it would never recover while at the Battle of Leyte Gulf Halsey would essentially eliminate the Japanese navy as an effective fighting force
