Shepherd, Nicholas E. Shepherd and Nicholas E. Johnson take as their starting point Brecht's own diaries from the time which offer a vivid picture of the young Brecht shuttling between Munich and the family home in Augsburg surrounded by friends torn between women desperate for success and all the while with David on the brain The analysis of Brecht's David along with his notebooks and diaries reveals significant connections between the reception of the Biblical David and one of Germany's most tumultuous cultural periods Drawing on theatrical experiments conducted with an ensemble from Trinity College Dublin this volume includes the first ever translation of the David fragments in English an extensive discussion of the theatrical afterlife of David in the early twentieth century as well
