The DAVID DAVID NY IH Literature

edited by Raymond-Jean Frontain and Jan Wojcik

David Myth In Western Literature

Frank Northen Magill

David Myth In Western Literature:

The David Myth in Western Literature Raymond-Jean Frontain, Jan Wojcik, 1980 This collection of eleven original essays each by a different scholar outlines the rich body of imaginative and devotional literature which has the biblical poet warrior king as its subject or primary focus showing David to have as strong an imaginative appeal for Western writers as such better known mythic heroes as Orpheus Oedipus Samson and Ulysses The introduction to the volume surveys the development of the David myth particularly in British and American literature The essays represent a variety of critical approaches to the myth as literature treating in detail such works as Shakespeare's Hamlet Cowley's Davideis Christopher Smart's A Song to David and Faulkner's Absalom Absalom and examining the complex uses made of David in the Midrash Talmud and Patristic writings medieval sermons and Reformation devotional treatises and American Puritan sermons

David and Solomon Israel Finkelstein, Neil Asher Silberman, 2007-04-03 The authors of the international bestseller The Bible Unearthed return withthe history of the Bible's sacred kings The Reformed David(s) and the Ouestion of Resistance to Tyranny Nevada Levi DeLapp, 2014-08-28 This study centers on the question how do particular readers read a biblical passage What factors govern each reading DeLapp here attempts to set up a test case for observing how both socio historical and textual factors play a part in how a person reads a biblical text Using a reception historical methodology he surveys five Reformed authors and their readings of the David and Saul story primarily 1 Sam 24 and 26 From this survey two interrelated phenomena emerge First all the authors find in David an ideal model for civic praxis a Davidic social imaginary Charles Taylor Second despite this primary agreement the authors display two different reading trajectories when discussing David's relationship with Saul Some read the story as showing a persecuted exile who refuses to offer active resistance against a tyrannical monarch Others read the story as exemplifying active defensive resistance against a tyrant To account for this convergence and divergence in the readings DeLapp argues for a two fold conclusion The authors are influenced both by their socio historical contexts and by the shape of the biblical text itself Given a Deuteronomic frame conducive to the social imaginary the paradigmatic narratives of 1 Sam 24 and 26 offer a narrative gap never resolved The story never makes explicit to the reader what David is doing in the wilderness in relation to King Saul As a result the authors fill in the gap in ways that accord with their own socio historical experiences Goliath as Gentle Giant Jonathan L. Friedmann, 2022-01-17 In the Hebrew Bible and stories loyal to it Goliath is the stereotypical giant of folklore big brash violent and dimwitted Goliath as Gentle Giant sets out to rehabilitate the giant's image by exploring the origins of the biblical behemoth the limitations of the underdog metaphor and the few sympathetic treatments of Goliath in popular media What insights emerge when we imagine things from Goliath's point of view How might this affect our reading of the biblical account or its many retellings and interpretations What sort of man was Goliath really The nuanced portraits analyzed in this book serve as a catalyst to challenge readers to question stereotypes reexamine old assumptions and humanize the other

King David Steven L. McKenzie, 2000-04-27 One of the most important and complex characters in the Bible King David has been the subject of innumerable portraits both artistic and literary Michaelangelo's magnificent sculpture of him is perhaps the single best known work of art in the world and the story of the humble shepherd who slew Goliath and became king has assumed a powerful mythological status But was David a real person and if so what kind of person was he Through a close and critical reading of biblical texts ancient history and recent archeological discoveries Steven L McKenzie concludes that David was indeed a real person This David however was no hero but a usurper adulterer and murderer a Middle Eastern despot of a familiar type McKenzie shows that the story of humble beginnings is utterly misleading shepherd is a metaphor for king and David came from a wealthy upper class background Similarly McKenzie reveals how David's ascent to power traditionally attributed to popularity and divine blessing in fact resulted from a campaign of terror and assassination While instituting a full blown Middle Eastern monarchy David was an aggressive leader a devious politician and a ruthless war chief Throughout his scandalous reign important figures who stood in his way died at convenient times under questionable circumstances Even his own sons were not spared David's story writes McKenzie reads like a modern soap opera with plenty of sex violence and struggles for power Carefully researched and vividly written King David An Unauthorized Biography offers a provocative reappraisal of the life of one of the Bible's most compelling figures Biblical Themes in World Eighteenth-century English Literary Studies Waldo Sumner Glock, 1984 Literature Solomon Liptzin,1985 Rhetoric of War Marie L. Ahearn, 1989-09-26 This comprehensive work explores the militia system and its role in the development of colonial New England Ahearn contends that the militia and the military sermon created an atmosphere of Christian soldiery and warfare that exercised a powerful long lasting hold upon New Englanders Ministers reinforced martial drill and militancy in their sermons The language and attitudes of warfare became part of the society New England's military sermons deeply encoded the biblical language of Christian warfare into the patterns of everyday life and into the fabric of American consciousness its influence continues to the present day The study is organized into three major sections The first part introduces the New England colonial institution of the part time military furnishing an overview of origins organization and operation Part Two demonstrates the ways in which the tradition of aggressive martial discourse helped to galvanize colonists to militant resistance and prompted New England's aggressive responses to real or perceived enemies in the seventeenth and eighteenth centuries The third part of the book addresses the main branchings in the pattern of martial argument in the third quarter of the eighteenth century as well as three different strands of the military sermon The Rhetoric of War is a unique study that will be of value to students of American history religion and rhetoric **Poetry Criticism** Elisabeth Gellert, 2002-03 Presents literary criticism on the works of poets of all nations cultures and time periods Critical essays are selected from leading sources including published journals magazines books reviews diaries newspapers broadsheets pamphlets and scholarly papers The Publishers' Trade List Annual ,1990 Chronica .1980

Directory of American Scholars Xerox Education Publications, 1978 Charismatic Authority in Early Modern English Tragedy Raphael Falco, 2000 Tragedies often focus on this difficult process of charismatic transformation a process Falco argues that is best understood not in terms of a single tragic figure but as a group experience BOOK JACKET Critical Survey of Poetry: Campion Frank Northen Magill, 1992 Vol 8 includes guidelines to poetry explication William Faulkner Daniel Joseph Singal, 1997 Relating Faulkner's work and thought to his intellectual and cultural climate a ground breaking study shows how he attempted to strike a balance between southern gentility and the liberal culture of the Modernist avant Fiction's Inexhaustible Voice Stephen M. Ross, 1989 Bulletin of the Comediantes Comediantes, 1990 garde UP Faulkner, an Annotated Checklist of Recent Criticism John Earl Bassett, 1983 Christianity Today, 1980 A William Faulkner Encyclopedia Robert W. Hamblin, Charles Peek, 1999-11-30 Contains alphabetically arranged entries that provide information about the life and writings of William Faulkner covering major characters and themes literary and cultural contexts relatives and friends historical events people and places social and cultural developments and literary and philosophical terms and movements
