How To Use Remote Work Productivity For Beginners For Women:

Women's Career Development in Virtual Remote Work Environments Claretha Hughes, 2025-03-25 This book examines the challenges and opportunities that women face with their career development aspirations while participating in virtual remote VR work The historical workplace disparities experienced by women such as pay gaps and underrepresentation in leadership have been exacerbated by the pandemic Already penalized for motherhood the ability to work virtually and remotely offered an opportunity to democratize the workplace giving women greater flexibility in managing their non work responsibilities while fulfilling their work obligation Nevertheless VR work also has a tendency to make women more invisible and therefore less likely to have networking opportunities and more likely to be overlooked for promotions The author explores these challenges and opportunities faced by women in the era of VR work and addresses some human resource development HRD issues that contribute to the talent retention of VR women workers and offers models theories and frameworks to examine the challenges and opportunities women encounter in VR work environments This book will appeal to HR scholar and scholar practitioners interested in the ongoing hurdles confronting women in the professional sphere despite the new opportunities presented through VR work It also appeals to gender studies scholars who are interested in VR work s effect on women

Remote, Inc. Robert C. Pozen, Alexandra Samuel, 2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration
