I'm working on the fifth and would never again consider trading my time for money. But it's not as easy as some books suggest. As with anything in life, if you want to create passive income, you will need to understand it, plan for it, and then work to make it a reality. I have done just that and have no need to punch a clock or answer to anyone else. Because most of my income is passive, I don't have to exert a lot of time or effort to earn a great living. *Freelance Like a Boss* Shea Karssing, 2023-06-20 If you want to start freelancing but don't know where to start, this book is here to turn YOU into a home office hotshot starting TODAY.
