Lose Your Heart, Not Your Mind: Smart Woman's Guide to Marriage and Self-Sufficiency (HC)* Aliette Carolan, 2017-06-07 In this practical guide, Aliette Carolan insightfully outlines the keys to a successful marriage and its dissolution. She paves the way for women, especially, to feel empowered in their life choices, which then allows them to make the best decisions for themselves and their family. This is a great guide for any woman who wants to be smart, empowered, and conscious in the choices she makes in love, life, and family. Dr. Shefali Tsabary, NYT Bestselling Author of *THE AWAKENED FAMILY*, GIVE AWAY YOUR HEART, but don't lose your mind. Know the deal you're getting into. Know that self-preservation is the key to a happy marriage and a happy divorce. We don't take a job expecting that we'll hate it and quit. We don't sign the lease on an apartment we'll be sick of in six months, and we don't enter into a relationship planning for the breakup. But the flip side is that we shouldn't expect any relationship we enter into will save us from the responsibility of being self-sufficient. No matter where you are in the process—dating, engaged, married, contemplating separation and divorce—if you can realize why you have to put yourself first, you're halfway there. Whether you're in the rapturous throes of endless love or the first moments of stomach-churning awareness that your marriage is falling apart, this book is for you. It's for every woman who understands that self-preservation will not happen if you rely on someone else to save you. You need to maintain or begin to establish your personal independence and financial solvency if you want to be self-sufficient, no matter what life throws at you. You can lean

on someone but you have to be able to stand on your own two feet at a moment's notice and that's what this book is about
