**The Latino Student's Guide to College Success** Leonard A. Valverde, 2012-07-06 This book provides Latino students with a step by step roadmap for navigating the college process from overcoming cultural barriers to attending college to selecting the right school to considering advanced degrees The Latino

community is the fastest growing minority group in America and quickly becoming a major player in America's workforce. Unfortunately, Latinos encounter cultural and societal obstacles that can hinder academic achievement. This inspirational guide gives Latino students practical skills for advancing in a college environment. *The Latino Student's Guide to College Success*, Second Edition, Revised and Updated, provides a blueprint for collegiate success. The first eight chapters guide students through subjects such as selecting a college, navigating the application process, forming effective study habits, accessing student support services, and planning for advanced degrees. The second part is comprised of eight inspirational stories by Latino graduates sharing their college experiences. Lastly, a third section features a listing of colleges with a record of graduating the most Latinos, as well as a list of the top ten colleges with the most undergraduate Latino students. The revised and updated second edition of this popular book features the latest economic and demographic changes that have emerged since the first edition was published. It also includes six new chapters introducing the impact of technological advancements and changes in cultural trends.

**Agile Processes in Software Engineering and Extreme Programming - Workshops** Sibylle Peter, Martin Kropp, Torgeir Dingsøyr, Clare Dillon, Philipp Diebold, Deepti Jain, Maria Ilaria

Lunesu, Andrea Pinna, 2025-11-30. This open access book constitutes revised selected papers from the workshops and the poster track held at the 26th International Conference on Agile Software Development XP 2025, which took place in Brugg, Windisch, Switzerland, during June 2-5, 2025. XP is the premier agile software development conference combining research and practice. The main ambition of the co-located workshops was to foster collaboration, generate new insights, and advance the field of agile software development. The 2 full papers and 10 short papers included in these proceedings were carefully reviewed and selected from a total of 35 submissions to the workshops and the poster track. They were organized in topical sections as follows: AI and Agile Software Development; From Frustration to Success; The Third International Workshop on Global and Hybrid Work in Software Engineering; GoHyb: Towards a Closer Collaboration between Practice and Research in Agile Software Development; What we learnt and what not.
