Politics, religion, race—we can't talk about topics like these at work, right? But in fact, these conversations are happening all the time, either in real life or virtually. And if they aren't handled effectively, they can become more polarizing and divisive, impacting productivity, engagement, retention, teamwork, and even employees' sense of safety in the workplace. In this second edition of *We Can't Talk about That at Work*, best-selling author Mary Frances Winters and new coauthor Mareisha N. Reese of The Winters Group Inc. provide fresh examples, updated research, and compelling insights. Featuring a new chapter on how two organizations have actualized the model for Bold Inclusive Conversations, as well as a discussion guide and updated glossary, this modern classic offers step-by-step guidance for conducting structured conversations around polarizing topics.
