The Anti-Ableist Manifesto Tiffany Yu, 2024-10-08 Tiffany Yu takes readers on a revelatory examination of disability how to unpack biases and build an inclusive and accessible world As the Asian American daughter of immigrants living with PTSD and sustaining a permanent arm injury at age nine Tiffany Yu is well aware of the intersections of identity that affect us all She navigated the male dominated world of corporate finance as an investment banker at Goldman Sachs before founding Diversability an award winning community business run by disabled people building disability pride power and leadership and creating the viral Anti Ableism series on TikTok Organized from personal to professional domestic to political Me to We to Us The Anti Ableist Manifesto frames context for conversations breaks down the language of ableism identifies microaggressions and offers actions that lead to authentic allyship How do we remove ableist language from our daily vocabulary How do we create inclusive events What are the advantages of hiring disabled employees and what market opportunities are we missing out on when we don t consider disabled consumers With contributions from disability advocates activists authors entrepreneurs scholars educators and executives Yu celebrates the power of stories and lived experiences to foster the proximity intimacy and humanity of disability identities that have far too often been othered and rendered invisible

The Future of Human Resources Tim Baker, 2022-06-16 Warp speed change is now a constant What do organizations need to do to maximize the potential of their employees in the new reality The tired clich that employees are our greatest asset is false It s unlocking the potential of employees that s the greatest asset THE FUTURE OF HUMAN RESOURCES confronts the conventional employment practices of selecting inducting developing rewarding and exiting employees This book is a comprehensive blueprint for HR

professionals to make the necessary changes to accommodate a new mentality Thirteen traditional practices are challenged and fresh practical pathways offered Dr Tim Baker according to leadership guru Marshall Goldsmith is one of today s most influential HR experts He offers new insights about what s still considered conventional wisdom such as employee induction the job description and succession planning THE FUTURE OF HUMAN RESOURCES provides you with a roadmap to navigate the post Covid world of work **Handbook of Anthropology in Business** Rita M Denny,Patricia L

Sunderland,2016-06-16 In recent years announcements of the birth of business anthropology have ricocheted around the globe The first major reference work on this field the Handbook of Anthropology in Business is a creative production of more than 60 international scholar practitioners working in universities and corporate settings from high tech to health care Offering broad coverage of theory and practice around the world chapters demonstrate the vibrant tensions and innovation that emerge in intersections between anthropology and business and between corporate worlds and the lives of individual scholar practitioners Breaking from standard attempts to define scholarly fields as products of fixed consensus the authors reveal an evolving mosaic of engagement and innovation offering a paradigm for understanding anthropology in business for years to come **The Nature of Business Transformation** Richard Kelly,2022-03-17 This book is a practical guide for

business professionals to develop and improve business intelligence and collective decision making within their organisation It proposes a progressive reconfiguration of the traditional business operating system using a nature inspired framework called swarm facilitation that enables and facilitates collective decision making Organisations have followed the same rigid formula of problem solving and decision making for over 100 years It is dominated by centralised governance and pyramid decision making Such an approach is no longer fit for purpose in an environment of employee disengagement artificial intelligence AI superintelligence and Covid 19 fallout By the end of this book readers will be able to solve organisational problems and challenges collectively using swarm intelligence upgrade and future proof business operating systems to reflect a more collective decision making approach fit for the new connected economy and Industry 4 0 embrace mindset quotients that support people working in a more networked self organising and collective environment The book is important reading for leaders and managers who are focused on building organisational capital and engagement and gaining value from the emerging technology by evolving their business operating system into a digital ecosystem as part of an ongoing digital transformation strategy It will also appeal to experts working in the field of organisational change and development both within the organisation and as consultants **CIO** ,2008 **The Education We Need for a Future We Can't**

Predict Thomas Hatch,Jordan Corson,Sarah Gerth van den Berg,2021-01-19 Improve Schools and Transform Education In order for educational systems to change we must reevaluate deep seated beliefs about learning teaching schooling and race that perpetuate inequitable opportunities and outcomes Hatch Corson and Gerth van den Berg challenge the narrative when it comes to the grammar of schooling or the conventional structures practices and beliefs that define educational experiences

for so many children to cast a new vision of what school could be The book addresses current systemic problems and solutions as it Highlights global examples of successful school change Describes strategies that improve educational opportunities and performance Explores promising approaches in developing new learning opportunities Outlines conditions for supporting wide scale educational improvement This provocative book approaches education reform by highlighting what works while also demonstrating what can be accomplished if we redefine conventional schools We can make the schools we have more efficient more effective and more equitable all while creating powerful opportunities to support all aspects of students development You won t find a better book on system change in education than this one We learn why schools don t change how they can improve what it takes to change a system and in the final analysis the possibilities of system change Above all The Education We Need renders complexity into clarity as the writing is so clear and compelling A powerful read on a topic of utmost importance Michael Fullan Professor Emeritus OISE Universtiy of Toronto I cannot recommend this book highly enough Tom tackles long standing and emerging educational issues in new ways with an impressive understanding of the challenging complexities but also feasible possibilities for ensuring excellence and equity for all students Carol Campbell Associate Professor Ontario Institute for Studies in Education University of Toronto **Broadcasting & Cable** ,2007-07
