generational lines This book is for those suffering in silence Those who are the strong ones Those who put on a happy face for the public but are suffering at home The ones who are successful in their work life but struggling in their personal life When we fail to recognize that normalizing and rationalizing our abusers behavior has detrimental effects on our state of mind we also do not recognize the red flags that show up in our dating lives work relationships and friendships Narcissism is a personality disorder so it shows up no matter the gender race or relationship Your best defense is to raise your awareness of narcissism and other personality disorders and increase your discernment so that you are prepared for their manipulative attacks I formulated 35 Survival Tactics based on my life experiences with toxic parents and relatives that have aided in my self healing journey This book will also be useful for those religious persons who have had religion misused to support their abusers The pivotal point in my life was reading the complete Bible for myself and the realization that God had given both parents and children commandments to abide by We are taught as young children in church to submit to our parents but those parents are ones who are honorable respectable and emotionally spiritually mature Toxic parents are exempt from this category of parents and are not owed the same loyalty Disobedience to one s parents is another stigma that has to be challenged You are entitled to set boundaries with your toxic parents and stand up for yourself when facing abuse It will save your life My book was an act of faith and confirmation of God s purpose and mission for my life This was an extremely difficult task to sit recall and reflect on the emotional abuse inflicted on me from childhood to adulthood at the hands of the people I loved the most I never had the courage to share my experiences as they were happening but I realized that my healing came from sharing my experiences My journey to self healing led me to the place I am now God placed it on my heart to share my story of redemption in hopes that it would be an inspiration to those in similar circumstances I want readers to know that fear of isolation or loneliness is no justification to stay in a toxic relationship Not everyone you lose is a loss There is newfound freedom in unburdening yourself from your abuser Embrace this transformation      **Tracker Hacker** Jeff Adams,2021-06-01 High school student Hockey player Computer whiz kid Covert agent At sixteen Theo Reese is the youngest agent for Tactical Operational Support His way with computers makes him invaluable He designs new gadgets helps agents including his parents in the field and works to keep the TOS network safe But when a hacker breaches the system TOS uses to track agents Theo is put to the test like never before Thrust from behind the safety of his desk Theo must go into the field to put a stop to the hack He s scared but resolved because one of the missing agents is his father And just to make it more interesting he has to keep everything a secret from his boyfriend and teammates Can Theo get the job done save his dad and make things good with his boyfriend This edition also contains A Very Winger Christmas a Codename Winger Bonus Mission Christmas is a time for family and friends but teenage secret agent Theo Reese must solve a mysterious hack before he can enjoy Reese family holiday traditions and deliver a gift to his boyfriend Eddie Can he avert an international incident and save Christmas before time runs out      *Daddy@Work* Robert Wolgemuth,2002-01-31 A guide for hard working fathers explains
