Kiyosaki, Sharon L. Lechter, 2002-01-01 This book is about how we started with nothing and retired financially free in less than ten years Find out how you can do the same If you do not plan on working hard all of your life this book is for you Why not Retire Young and Retire Rich **Jody** Joanna Bradshaw, 2010-03-01 This book is a monument not to Joanna Bradshaw who is the subject of Jody but to America Jody's is truly an American story With the gift of extraordinary talent the will to make the most of herself and the willingness to pay her dues she rose to the very top of her profession against staggering odds She fulfilled Abraham Lincoln's broad vision of America as a land where anyone could rise as far as talent and hard work would take them Jody came a long way from a kid with a summer job on Long Beach Island New Jersey serving hamburgers at Burke's Bar B Q to break through the glass ceiling and become an icon in American retailing As Macy's first female corporate VP followed by a progression of more senior level executive positions that included the presidency of two leading home furnishings chains Jody broke down the traditional barriers to her gender She proved that a woman's rightful place in retailing includes the very highest executive levels Of course there was a price Experience the lean years the heartbreak of two divorces and the scramble to be there when loved ones were passing But also revel in the rich stories of her nearly endless travels across the globe in search of the most exciting fashion forward trend setting goods And meet some of America's greatest retailing legends giants with whom she rubbed shoulders on a daily basis So come share her story the quiet joys the vaulting triumphs the naked failures and the wonderful memories visited upon this unique personality It is all here unvarnished You will never forget Jody Like the Little Engine that Could that promised I think I can I think I can I think I can she did Read this book It will enrich your life Funding Fathers Nicole Hoplin, Ron Robinson, 2008-09-09 Money changes everything especially in politics Politicians think tanks and political parties would not be where they are without monetary gifts Yet when it comes to

celebrating donors the media often praise liberals for their selfless giving and criticize conservatives for their selfish hoarding But Ron Robinson and Nicole Hoplin leaders of Young America's Foundation set the record straight in *Funding Fathers The Unsung Heroes of the Conservative Movement* Part historical account of the conservative movement and part expos about political philanthropy *Funding Fathers* busts the myth that conservatives donate less money than democrats and exposes how the media liberal organizations and even conservatives perpetuate this lie In *Funding Fathers* Robinson and Hoplin reveal How conservative donors have had as much influence on the conservative movement as people like Ronald Reagan and William F Buckley Jr Why anonymous donations can do more harm than good to the conservative movement How donations benefiting conservative ideas are often misappropriated at universities across the U S How conservative politicians and organizations use donations more efficiently than liberals Money matters But it is not the size of the donation that counts it is the impact it makes *Funding Fathers* shows how the unsung heroes of the conservative movement have not only influenced the past but also how they continue to shape the future
