Chandra,2025-11-07 In an increasingly fragmented and fast paced world strengthening connections between generations has become both a challenge and a necessity for today s world One powerful yet often overlooked way to bridge generational divides is through the recognition of shared common values such as shared likes and responsibilities common interests and community development These core principles transcend age and time offering a foundation upon which meaningful relationships can be built and sustained By focusing on unification this approach may help build a deeper understanding and renewed sense of belonging across generations Enhancing Intergenerational Social Connections Using Shared Common Values explores social connections as meaningful interaction between individuals from different generations within families communities and societies It explores how shared interests among generations promotes intergenerational social connections and offers opportunities for mentorship shared wisdom and a sense of belonging in communities Covering topics such as judicial systems social values and intergenerational solidarity this book is an excellent resource for sociologists academicians researchers and scientists **Proceedings of the Jepara International Conference on Education and Social Science 2024 (JIC 2024)** Agus Subhan Akbar,Mayadina Rohmi Musfiroh,Mochammad Qomaruddin,Mohammad Rifqy

Roosdhani,Husni Mubarak,Nina Sofiana,2025-12-16 This is an open access book Jepara International Conference JIC is an international conference held annually in Jepara Indonesia The conference aims to bring together scholars researchers and practitioners from around the world to discuss and share their latest findings on a variety of topics related to sustainable development education and digital society The theme of the 2024 JIC is The Sustainable Technology of Coastal Development Advance Education and Digital Society This theme is particularly relevant to Jepara a city located on the north coast of Java Island Jepara is facing a number of challenges related to coastal erosion climate change and the need to improve education and digital literacy The JIC will provide a forum for discussing these challenges and identifying innovative solutions The JIC

will feature a number of keynote presentations panel discussions and paper presentations There will also be opportunities for networking and collaboration among participants

Application of Big Data, Blockchain, and Internet of Things for Education Informatization Mian Ahmad Jan,Fazlullah Khan,2021-10-12 This two volume set constitutes the refereed proceedings of the First International Conference International Conference on Application of Big Data Blockchain and Internet of Things for Education Informatization The conference was held in August 2021 and due to COVID 19 pandemic virtually The 99 revised full papers and 45 short papers have been selected from 503 submissions The papers describe research fields such as big data and information education The aim of the conference is to provide international cooperation and exchange platforms for big data and information education experts scholars and enterprise developers to share research results discuss existing problems and challenges and explore cutting edge science and technology

Proceedings of the 2nd International Conference on Changing of Business Law (ICOCLB 2024) Edy Lisdiyono,Ade Saptomo,Faisal Santiago,I Nyoman Budiarta,Ahmad Sudiro,Zaenal Arifin Hoesein,Laksanto Laksanto,Wasis Susetio,Zulfikar Judge,2025-02-08 This is an open access book Currently the influence of shifts and changes in the legal system due to global political social and economic dynamics demands significant changes to harmonize and adapt the various realities of human relations which are currently dominated by various activities in cyberspace Law is the most important and strategic instrument in organizing the space for social interaction and changes in other social institutions and institutions in the current era Therefore it is not only about 3 legal instruments such as norms legal institutions and their enforcement but the most important thing is legal education which will build not only legal instruments and systems but also awareness of a new legal culture Thus structuring legal education and its educational ecosystem which is connected to other aspects such as economics social cultural religious political and so on is a necessity that continues to be developed Law is also the glue and device of a world that is all connected and cross border connected to the digital world as well as an interconnected global society making an agreement on a common global goal help individuals institutions and governments throughout the world to agree on the direction of development focusing on things that are truly beneficial for the future directing all parties to focus on the same thing mobilizing all resources and making it easier to organize and implement so that all parties can move together towards the achievements they hope for By having a common goal every policy and development step taken by every national leader will always be tested by the public This means that a common goal provides a common opportunity for all elements of society to control the entire development process in order to remain faithful to the path towards mutual achievement encouraging mobilization all networks of expertise knowledge and practices to overcome various difficulties faced in implementing sustainable development and mobilize all stakeholder networks This multi stakeholder process is critical to addressing complex challenges in sustainable development and the fight against poverty hunger and disease In line with the global agenda called Sustainable Goals Development especially point 4 of SGD s goals which sets the goal of providing quality

education this is also included in the world of legal education The SDGs goals above are interconnected and influence each other To achieve the SDGs goals collaboration and cooperation are needed These SDGs are a global commitment to achieve better sustainable development Every country including Indonesia has a responsibility to achieve the SDGs goals By paying attention to sustainability aspects in every decision and action we can build a better and more sustainable future for future generations Thus there is a need for strategic partnerships especially at the national and regional levels which will harmonize various curricula and learning methods especially in the field of law in order to achieve a parameter of success in the development of national and regional law which is one of the elements of the resilience of a country or region This is considered necessary and strategic considering that currently the dynamics of the region are being influenced by global turmoil in various fields as well as the ongoing struggle for hegemony among world geopolitical and geoeconomic forces in the new world balance order Therefore this international seminar and call for papers is an opportunity for participants to find out about harmonization and strategic cooperation in legal education especially in the era of disruption economic and digital and to know its relevance for development at the ASEAN level

Sales Automation Hacks Digital World,2025-02-22 In a more competitive and dynamic market optimizing the sales process is crucial to the success of any business Automation emerges as a powerful piece of hardware to achieve this objective freeing up time for sellers to concentrate on the strategic activities that they will ever sell This eBook is a complete guide to implement your vending machine effectively We will look at the basic concepts from the most advanced extracts with a focus on them Increase the productivity of your sales team automating repetitive and manual tasks such as entering data scheduling meetings and sending emails Improve communication with your customers personalizing your customer experience and responding to your requests quickly and efficiently Obtain valuable insights into the sales process analyzing data and metrics to identify health opportunities

Internet Memes and Copyright Law Brian Chun Lok Leung,2025-09-30 This book explores the intricate relationship between copyright law and internet meme culture challenging an assumption that copyright is a barrier to digital creativity Using the lens of internet memes to analyse copyright law in the context of participatory remix culture the book confronts a common perception that copyright is the destroyer of internet memes on social media platforms Following the European Union s Copyright Directive widely known as the Meme Ban this book critically examines whether copyright might instead be reimagined to foster rather than inhibit re creations that define internet meme culture The book argues that this culture directly challenges copyright s core assumptions and proposes a new holistic approach to copyright that distinguishes between traditional and emergent forms of creative processes Arguing for a flexible interpretation of copyright that limits private proprietary rights in the case of internet memes it provides a legal framework to support socio cultural discourse without undermining copyright s foundational principles Covering core copyright concepts such as authorship idea expression originality fair dealing and user rights the book provides a compelling argument as to how copyright can adapt to

the digital age as a protector of cultural expressions ensuring that internet memes are not only preserved but celebrated The book will be of interest to researchers in the field of copyright law the law of emerging technologies and intellectual property law *Social Media Marketing for Beginners 2021* Michael Branding,2021-02-10 If you want to generate 10 000 a month with social media marketing then keep reading Entrepreneurs and influencers have finally discovered the power of social media marketing and having a profitable online business In fact during 2020 online stores have seen a growth of over 26% and this trend will keep on going for a very long time However even if the numbers look incredible big brands and companies have not saturated the entire market yet This allows retailers and new entrepreneurs just like you to take full advantage of users attention which is greatly underpriced at this moment It is just a question of when big names will start to heavily market online not if they will do that Once we will see big companies deploying large sums of money into social media marketing it will be almost impossible for the average Joe to start a profitable online business This is why you need to start today having a clear goal in mind monetization Here is what you will discover in this book The 6 secret steps to every effective social media marketing plan and how you can use them to take your online business to the next level The only way to create an editorial plan that puts money into your pocket The KPIs used by the most successful online businesses to monitor results and increase sales How to effectively use Facebook to build your online presence and leverage it to make money The reason why Instagram followers do not matter and what you should focus on instead to increase sales The recent change in Instagram s algorithm and why it is a goldmine for those that know how to act on it The most important tactics to use to turn your TikTok profile into a cash cow The secret strategies used by big companies to find profitable leads on Twitter and how you can use them too A secret platform that can skyrocket your business and how to leverage for maximum results A detailed step by step guide to Facebook Ads and Google Ads and how you can combine them to put even more money into your pocket and much much more The beauty of social media marketing is that it can be done with little money Being able to position yourself effectively is the best way to assure your business a long lasting success and this book will show you how to do it This is the best time to start focusing on an online business as people are spending more time than ever on their phones It is time to turn their attention into sales Click Buy Now and get this book today [Optimizing Mom's Cookies Bar Marketing Approaches. Marketing Strategies in the Social Media World](#) Joeleen Kimbell,2025-02-17 Case Study from the year 2024 in the subject Business economics Offline Marketing and Online Marketing grade A language English abstract Moms Cookie Bar a Doylestown creamery and patisserie has worked to improve its online presence and brand awareness in the community Mom s Cookie Bar is a small business providing packaged cookie bars and personalized ice cream Linda Baker was the one who got things started Our comprehensive digital optimization strategy is based on three pillars social media strategy formulation e commerce integration and digital marketing campaign implementation YouTube is one of the social media sites recommended by our system TikTok like Facebook and Instagram is a social networking site This strategy
