Age of Ambition: Chasing Fortune, Truth, and Faith in the New China Evan Osnos, 2014-05-13 Pulitzer Prize in General Nonfiction finalist Winner of the 2014 National Book Award in nonfiction An Economist Best Book of 2014 Winner of the bronze medal for the Council on Foreign Relations 2015 Arthur Ross Book Award A vibrant colorful and revelatory inner history of China during a moment of profound transformation From abroad we often see China as a caricature a nation of pragmatic plutocrats and ruthlessly dedicated students destined to rule the global economy or an addled Goliath riddled with corruption and on the edge of stagnation What we don't see is how both powerful and ordinary people are remaking their lives as their country dramatically changes As the Beijing correspondent for The New

Yorker Evan Osnos was on the ground in China for years witness to profound political economic and cultural upheaval In *Age of Ambition* he describes the greatest collision taking place in that country the clash between the rise of the individual and the Communist Party's struggle to retain control He asks probing questions Why does a government with more success lifting people from poverty than any civilization in history choose to put strict restraints on freedom of expression Why do millions of young Chinese professionals fluent in English and devoted to Western pop culture consider themselves angry youth dedicated to resisting the West's influence How are Chinese from all strata finding meaning after two decades of the relentless pursuit of wealth Writing with great narrative verve and a keen sense of irony Osnos follows the moving stories of everyday people and reveals life in the new China to be a battleground between aspiration and authoritarianism in which only one can prevail

Memory, Family, and Self Giovanni Ciappelli, 2014-04-10

The family book a kind of diary written by and about the family for its various members was established by scholars as a genre in Italy in the 1980s Although initially regarded as an Italian genre the family book can also be found in other parts of Europe Nevertheless the genre can be traced back to Florence where it first emerged and consequently flourished with the lavish production of such documents This abundance springs from the social structure of the city where such texts were essential for establishing and cultivating the basis for the social promotion of Florentine families This book presents a reconstruction of the evolution and persistency of Tuscan family books as well as a study of several aspects of social history including reading and private libraries domestic devotion and the memory of historical events Starting with the Renaissance the investigation then broadens to the 17th 18th centuries and considers other forms of memory such as private diaries and autobiographies A final section is dedicated to the issue of memory in the egodocuments of early modern Europe This book was translated by Susan Amanda George
