Intense Mountain Man Maya Vale, 2025-04-12 HAWK I live alone on Shadowfall Ridge where the mountains are my only companions and solitude is my sanctuary Then I find her half frozen in a snowdrift her car wrecked on the treacherous mountain road Something primal awakens inside me when I carry Celine back to my cabin Her city soft curves ignite a hunger I've kept buried for years As blizzards trap us together teaching her survival becomes my obsession Each day I show her the wild beauty of my mountain each night our bodies speak a language more powerful than words She's everything I never knew I needed brave despite her fears surrendering yet unafraid to claim what she desires I've never

wanted to share my mountain kingdom with anyone But as spring approaches and the thaw threatens to take her back to civilization I realize I m not willing to let her go Up here we ve discovered a passion as untamed as the wilderness itself Now I face the most difficult challenge of my isolated existence convincing her that what we ve found is worth fighting for that our story has only just begun CELINE I never meant to end up stranded in a blizzard my car wrecked on a remote mountain road Terrified and freezing I thought I was going to die until he appeared through the swirling snow Hawk A mountain of a man who carries me to safety like I weigh nothing at all In his rustic cabin with no electricity and miles from civilization I discover parts of myself I never knew existed His calloused hands and intense gaze strip away my city girl inhibitions For the first time I feel beautiful in my own skin my curves cherished rather than criticized As days turn to weeks I learn to fish in half frozen streams to dance in thunderstorms to embrace the wild woman within me Each night in his arms feels more like home than the life I left behind But spring is coming the roads will clear and I ll have to choose return to the comfortable predictability of my former life or embrace the untamed passion I ve found with a man as rugged and real as the mountains themselves
