## **Simple Ai Blog Writer Guide For Us Audience:**

*The Executive Guide to Artificial Intelligence* Andrew Burgess, 2017-11-15 This book takes a pragmatic and hype free approach to explaining artificial intelligence and how it can be utilised by businesses today At the core of the book is a framework developed by the author which describes in non technical language the eight core capabilities of Artificial Intelligence AI Each of these capabilities ranging from image recognition through natural language processing to prediction is explained using real life examples and how they can be applied in a business environment It will include interviews with executives who have successfully implemented AI as well as CEOs from AI vendors and consultancies AI is one of the most talked about technologies in business today It has the ability to deliver step change benefits to organisations and enables forward thinking CEOs to rethink their business models or create completely new businesses But most of the real value of AI is hidden behind marketing hyperbole confusing terminology inflated expectations and dire warnings of robot overlords Any business executive that wants to know how to exploit AI in their business today is left confused and frustrated As an advisor in Artificial Intelligence Andrew Burgess regularly comes face to face with business executives who are struggling to cut through the hype that surrounds AI The knowledge and experience he has gained in advising them as well as working as a strategic advisor to AI vendors and consultancies has provided him with the skills to help business executives understand what AI is and how they can exploit its many benefits Through the distilled knowledge included in this book business leaders will be able to take full advantage of this most disruptive of technologies and create substantial competitive advantage for their companies

**Handbook for Social Work Writing** Susan E. Mason, Wendy Zeitlin, 2024-03-28 This concise accessible and engaging handbook offers a companion for social work students to acquire professional and competency based writing skills Written by experienced educators the book builds writing proficiency by introducing a social work based guide to academic writing and professional communication Each chapter addresses a specific area of social work writing and development progressing from coursework and beginning fieldwork to practice based assessments and reports The authors integrate a series of scaffolded activities throughout for readers to cultivate awareness and further technique and with sections explaining contemporary communication methods and common writing challenges readers will be prepared to use technology both to strengthen their writing and to ease the overall process Excellent for use in courses across the social work curriculum and as a personal guide the Handbook for Social Work Writing provides students with on the spot guidance for any type of academic or professional writing assignment
