Australian Book Review, 1998 A Conversation between a Muslim and a Christian Peter Barnes, Mohamad

Younes, 2023-07-13 There are many books which set out the case for Islam or for Christianity and point out what they regard as defects in the other religion This book does that but it seeks to do so in the form of a workbook which groups of Christians or Muslims might use and it is conducted in a spirit where truth is paramount but so too is kindness and civility The two authors have become friends and hope that this can be detected in the exchanges As the major doctrines of each religion are dealt with we are conscious that these doctrines are important and need to be examined rigorously and charitably We hope we have succeeded to some degree at least

Economic Aid and American Policy toward Egypt, 1955-1981 William J. Burns, 1985-06-30 Gamal Abdel Nasser's 1955 decision to barter Egyptian cotton for Soviet bloc weaponry thrust Egypt onto center stage in the Cold War in the Middle East What Egypt needed most and what the United States was uniquely equipped to provide was economic aid For the Egyptian government eager to take rapid strides toward economic development but crippled by a burgeoning population a paucity of arable land and a meager reserve of foreign exchange American economic aid promised to serve as an enormously important crutch For American policymakers economic assistance appeared to be an ideal means of developing American influence in Egypt Few aid relationships in the last three decades can match the drama and significance of the U S Egyptian experience This study shows how the American government attempted to use its economic aid program to induce or coerce Egypt to support U S interests in the Middle East in the quarter century following the 1955 Czech Egyptian arms agreement William J Burns has analyzed recently released government documents and interviews with former policymakers to throw light on the use of aid as a tool of American policy toward the Nasser regime He also offers valuable observations on the role of the American economic assistance program in the Sadat era
