Conversations With The King Meditations That Edify Equip And Encourage:

Conversations with the King and Study Guide Stephannie R. E. Solomon, 2003-10 The caverns and canyons of Chicago spring alive as a young Native American girl from the Black Hills of South Dakota explores the mighty city during her year at college in Chicago's inner city. Come along for an enigmatic adventure through the eyes of a Lakota Sioux as she assimilates to life in the big city. Christian Companion, 1907 **Continent**, 1912 **Living with the King** Stephannie E. R. Solomon, 2009-10-15 *Living With The King* is a disciple-centric read that stresses the importance of building a relationship with Jesus Christ. It is crafted in the conversational tone of writing directed by the Holy Spirit and influenced by authorial experiences. It includes a study section after each unit which allows for penned prayers, journaling, private devotions as well as group discussions. There are three exciting features of *Living With The King*. The first feature offers a wealth of noted scriptures to undergird a topic or thought. They are useful for reflection, referencing, and research. The second feature encourages the reader to think critically by asking the author a question at the end of the Study Guide section. The question can be forwarded to the author via e-mail, her Facebook or Twitter pages which are on the Home page of the website www.stephanniesolomon.com. The third feature consists of thirty-one days of affirmations, an excellent companion for fasting and prayer. Like its predecessor *Conversations With The King*, this page-turner highlights the endorsements of three reputable Christian leaders on its back cover. Truly, *Living With The King* is an asset to any home, office, church, and community library as well as church and commercial bookstores. No ministry should be without it. Encountering Our King Teresa Williams Crc, 2021-09-25 Each year the Church celebrates the Solemnity of Christ the King on the last Sunday of the liturgical year. We crown the closing year by proclaiming Jesus to be King and Lord of history of the world of the Church and of our hearts. In celebrating Christ as King, we renew our allegiance to him and our desire that he might have absolute reign in our lives. As a Church, we also renew our hope that his kingdom will one day come in its fullness when all things are summed up in Christ cf. Ephesians 1:10. As we journey through these meditations, we will reflect on various facets of Christ's kingdom. We will see him choose the way of humility and service over that of power and dominion. We will contemplate a king who empties himself completely in order to give life to his people. We will consider the thrones he has chosen to occupy from the manger to the mountain to the cross. We will ask him to teach us to embrace his criteria so that we too might reign with him.

Conversations with the King Stephannie Rochelle Elizabeth Solomon, 1997-01-01 **K.I.N.G.
