Veriff and Bolt but even more impressive are Tallinn's pioneering efforts in e government. With 99 per cent of government services digitalised and accessible online, citizens can vote via computer or file their taxes online in minutes. Estonia's use of artificial intelligence to enhance and automate its offering to citizens long predates ChatGPT. Drawing on his experience as a former official for the Republic of Estonia, Joel Burke offers unique insight into the country's rapid rise as a tech and e government powerhouse since the turn of the century. From the founding of Skype to the future of the e state, he unveils the tactics and stories behind Estonia's spectacular journey after years of Soviet occupation and mismanagement to global tech leadership. For those hoping to learn from Estonia's incredible journey, Burke offers insights into the government's use of AI, its creation of a digital society, and its cultivation of a culture driving public sector creativity and innovation. **Rebooting a Nation** is an informative and entertaining masterclass in Estonia's modern history.

Remote Work: Productivity and Communication for Distributed Teams (The Complete Guide to Building Productivity, Advancing Your Career, and Thriving in the Future of Work) Aubrey Obrien, The essential guide to remote work for employees and employers. Work has changed. The office is no longer the only place to build a successful career or run a thriving business. Whether you are starting a remote job, managing a virtual team, or adapting to a more flexible way of working, success takes more than just an internet connection. It requires the right habits, communication skills, and tools to stay focused, productive, and connected. Inside, you'll learn: The best remote jobs for women over 40 and where to find them. How to build marketable skills fast using free and low-cost tools. Real-life stories of people who reinvented their careers after 40. Smart strategies for staying confident, productive, and self-motivated. Tips for managing time, burnout, and home office distractions. The answer lies in the new possibilities of the remote work era. After interviewing over fifty women remote workers globally, including leaders at organizations like the Wikimedia Foundation, Buffer, and Basecamp, tech entrepreneur Rhiannon Payne has developed a step-by-step guide to help women find and grow on their remote paths. In her timely debut book, perfect for 2021, Rhiannon shares insider tips and insights to help you design a fulfilling and flexible life that prioritizes your passions and goals, not just your job.

Gen Z at Work in Central and Eastern Europe Elżbieta Wąsowicz-Zaborek, Adam Oleksiuk, 2025-11-25. In an era of rapid transformation in the world of work, Generation Z emerges as a transformative force, reshaping traditional employment models with their distinct preferences and values. As the first fully digital native generation, they seek flexibility, remote work opportunities, and a healthy work-life balance. This book examines these transformative trends in the context of Central and Eastern Europe, focusing on three diverse and representative countries: Poland, Czechia, and Estonia. Together, these nations illustrate the region's economic diversity and innovation, offering insights into how local labour markets are responding to the expectations of this new workforce. Grounded in original research, including interviews and case studies, the book presents quantitative analysis to explore Gen Z's preferences, attitudes, and aspirations. The findings shed light on demographic variations such as gender and place of residence and examine how these factors influence work preferences across the three countries. Beyond

identifying trends the book offers practical recommendations addressing the challenges and opportunities posed by generational change The narrative unfolds through three interconnected themes the socio economic dynamics of Poland Czechia and Estonia the comparative analysis of survey findings highlighting generational similarities and differences and broader implications for industries organizational strategies and regional economies Special attention is given to emerging work models such as work from anywhere WFA and workation hubs in Europe emphasizing their role in shaping regional development and economic policy The book bridges the gap between academic research and real world application making it an essential resource for scholars researchers advanced students and policymakers Chapters 6 and 7 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

If You Could Live Anywhere Melody Warnick, 2022-07-26 Even when your job can be done from anywhere the place you call home still matters a lot By the old rules of work your dream career determines where you live If you want to make movies move to Los Angeles If you want to work in publishing you must be in New York And if you're launching a start up you'll only succeed in Silicon Valley But with the meteoric rise of remote and freelance work more people than ever are becoming location independent Even doctors teachers and other people in more traditional occupations have to make tough choices about where they settle because living in the right place can still make all the difference for your success and happiness So if work won't dictate where you live how will you ever decide If You Could Live Anywhere answers that question Melody Warnick unpacks the big picture concerns that we often miss when we're writing pros and cons lists about potential destinations Because the secret to being happy isn't moving it's aligning your location with your values You'll learn how to craft a personal location strategy

that will make the most of your money your community and your life with success stories from people who flexed their location independence to find homes and work they love The future of work is clear it can happen wherever you are So where do you really want to be

The Pause Julian Jason Haladyn,2024-04-15 When COVID 19 spread across the globe people experienced protection measures such as social distancing self isolation and self quarantine as a kind of shutting down or putting on hold of life Many referred to this experience as a pause Calling attention to the long history of grappling with pausing in writing on plagues and pandemics Julian Haladyn explores the pause in its social political and personal manifestations over the extended pandemic The schism between the virus and its prohibitions on human engagement with the world produced a crisis Haladyn argues in which for an extended time it was impossible to imagine a future The Pause is a cultural inquiry into a moment when human life around the globe seemed to halt as well as the social symptoms that defined it The Pause captures the experience of being inside the pandemic even as that experience continues to unfold It regards our current situation not for what it may become in the future but rather as a moment of mass uncertainty and existential hesitation
