Robin Williams Meet Patch Adams M D a social revolutionary who has devoted his career to giving away health care Adams is the founder of the Gesundheit Institute a home based medical practice that has treated more than 15 000 people for free and that is now building a full scale hospital that will be open to anyone in the world free of charge Ambitious Yes Impossible Not for those who know and work with Patch Whether it means putting on a red clown nose for sick children or taking a disturbed patient outside to roll down a hill with him Adams does whatever is necessary to help heal In his frequent lectures at medical schools and international conferences Adams s irrepressible energy cuts through the businesslike facade of the medical industry to address the caring relationship between doctor and patient that is at the heart of true medicine All author royalties are used to fund The Gesundheit Institute a 40 bed free hospital in West Virginia Adams s positive vision and plan for the future is an inspiration for those concerned with the inaccessibility of affordable quality health care Today s high tech medicine has become too costly impersonal and grim In his frequent lectures to colleges churches community groups medical schools and conferences Patch shows how healing can be a loving creative humorous human exchange not a business transaction
