Cotner, 2010-12 This is Tsa Sohone's second assignment from the Psyplex central core of the collective consciousness and this time the former Caddo Xinesi's Shaman's life energy is sent to the body of Logan Gortner and is directed by the Psyplex to take control of the body of the retired financial advisor after sixty-two years of being a subordinate soul within. Joining Tsa Sohone and Logan are several other life energies from the Psyplex some familiar ones like Old Blue the mule from his first adventure and some new and interesting ones that will play important roles as Tsa Sohone struggles to carry out his assigned task again in Arkansas but now in the year 2012. The mission assigned to him this time revolves around the jaguar pendant that was found in little Jenny's hand the day she was born in 1878 and was passed down in her family all the way to its current owner and relative Logan Gortner. The mysterious appearance of the pendant in the infant's hand was never solved but now Tsa Sohone has the chance to find out the origin of the necklace and the importance it will play during the second half of the Sun's life that starts the day after the end of the Mayan calendar on December 21, 2012. Tsa Sohone must first determine the role the pendant plays and then unlock the secret the pendant holds to successfully complete the mission assigned him by the Psyplex. As in his first adventure from the Psyplex he encounters many obstacles and endures several trials in his quest to solve the mystery of the jaguar pendant.
