Build Your Author Platform: An Introvert Author's Guide to Marketing Your Writing. Laura Kortum, 2025-02-11
You've published your first book and are eager to take that next step getting some visibility for it and for yourself. But whenever you hear the word marketing it sends a chill down your spine leaving you frozen in indecision about how to proceed. Worry not! You don't have to be a sleazy salesman to market yourself. You also don't have to bumble your way through the process and look like an amateur. In this guide you'll learn about all the essential building blocks of a successful and professional looking author platform including: What even is an Author platform? Present yourself. A great bio photograph etc. Claiming your author pages on Amazon etc. Basics of author Websites. Social media for introverts. Newsletters and mailing lists. Automation. FTW. More than all of the above, this guide also deals with the most important question of all: what's the absolute minimum an introvert such as yourself can get away with. Marketing can become a fulltime job if you let it, but we're writers. And so we want to have plenty of time left over for writing, don't we? Let's begin.

The Introvert's Guide to Entrepreneurship Luna Ember, 2024-06-11
The Introvert's Guide to Entrepreneurship by Luna Ember offers a transformative perspective on how introverts can excel in the world of business. Drawing from extensive research and real-life examples, Ember dispels the myth that successful entrepreneurs are always extroverted, charismatic figures. Instead, she highlights the unique strengths that introverts bring to the table, such as strategic thinking, deep focus, and the ability to cultivate sustainable long-term business growth. This guide is an essential resource for introverted individuals who aspire to become productive and innovative entrepreneurs. Learn how to harness your innate skills, overcome societal misconceptions, and build a thriving enterprise without compromising your true nature.

The Introvert's Guide to Leaving the House Jenny Valentish, 2025-05-27
At last, a practical and relatable book for introverts, stand-offish sociophobes, and awkward people. The Introvert's Guide to Leaving the House is stuffed full of game plans for every excruciating social scenario. Journalist and reformed sociophobe Jenny Valentish will help you extend your social battery, life, tackle fear of judgement, form more meaningful connections, create an online presence that feels comfortable, express more of your body's own bonding chemicals, hit a party like a SWAT team, nail phone conversations, handle conflict, become a more confident manager and team player, hack public speaking, turn small talk into profound connections, reframe limiting self-beliefs, and navigate the overlap between social anxiety and neurodiversity. Do we wary Mary's need curing? Of course not. But sometimes we can do with a few aces up our sleeves to navigate social interactions.

Email List Secrets Step-by-Step Guide RD king, Discover The Step By Step Blueprint To Building a Thriving Email List and Increase Your Profits Starting Today If you run a business a website or a blog and you want to increase your audience as well as increasing engagement then the single most effective way to do that is with email marketing If you listen to pretty much any top marketer then they will almost always tell you this They will almost always say that the most important aspect of their marketing the thing that led to their success was email And there's a very good reason for this Or ten Email marketing allows you to reach your audience in an incredibly direct manner Unlike other forms

of marketing you'll actually be able to reach your audience directly in their inboxes without having to go through any third party. That means that you're not reliant on a platform like Facebook or Twitter or at the mercy of potential changes to policies that could render your messages unheard. It wasn't that long ago that Facebook made the decision to change its system so that only a small percentage of posts from pages got through to followers. With email, your messages are going directly to the users. That means that nothing can prevent you from reaching them and you know that 100% of everything you send is going to reach the recipient.
