**Anti-burnout** Michael Drayton, 2021-03-18 Burnout results in people feeling exhausted cynical detached and hopeless even depressed and anxious This book looks at burnout from an individual group and organisational perspective It uses anecdotes from the author s life and examples from literature poetry and art to bring the subject to life Based on the latest scientific thinking on burnout and evidence based ideas this practical easy read book gives leaders the knowledge they need to create a psychologically healthy and high performance culture at work After reading this book you will understand more about burnout than 90 per cent of the population You will know what to do to prevent burnout in other people and in yourself Anti burnout is an academically rigorous book written in

a friendly engaging conversational style It contains lots of anecdotes examples from the arts and stories that illustrate and bring to life the practical advice on preventing burnout Anti burnout will answer these questions What exactly is burnout How does burnout affect individuals teams and organisations What causes burnout How can I understand and support people with burnout How can I prevent myself from burning out What are the obstacles to preventing burnout How does remote working affect burnout What can I do to create a workplace culture that prevents burnout This book is helpful because it relates the scientific literature on burnout to real life Anti burnout looks at the individual factors in burnout including personality and mental health It also looks at how the dynamics of teams and how work is organised relate to burnout Finally the book investigates organisational culture leadership and burnout This book is essential reading for leaders and managers who want to minimise burnout in people in their organisation It will also be essential reading for anyone with an interest in mental well being at work such as occupational health practitioners researchers and human resource professionals

**Remote, Inc.** Robert C. Pozen,Alexandra Samuel,2021-04-27 You can thrive and excel when you re working remotely if you adopt the mindset habits and tech tools of professionals who are even more productive outside the office Learn to think like a business of one and that entrepreneurial mindset will transform your experience of remote work Remote work can be satisfying and productive once you craft a strategy that taps into the unique advantages of working from home After a year in which many of us plunged into remote work overnight we finally have a chance to make thoughtful choices about how to combine remote and office work and how to make the most of our days at home Remote Inc gives you the strategies and tools you need to make remote work a valuable part of your renewed working life Learn how to Gain control over how and when you work by focusing on objectives not the 9 to 5 workday Wow your managers by treating them like valued clients Beat information overload by prioritizing important emails and messages Make online meetings purposeful focused and engaging Build great relationships with your colleagues whether at the next desk or another city Find a balance between work from home and life at home Make a remote work plan that lets you get the best from time at the office and the best of home Remote Inc takes you inside the mindset and habits of people who flourish while working outside the office some or all of the time people who function like a business of one That s how productivity experts Robert C Pozen and Alexandra Samuel describe the mindset that lets people thrive when they re working remotely whether full time or in combination with time at the office You can follow their lead by embracing the work habits and independence of a small business owner while also tapping into the benefits of collegiality and online collaboration

**Work Together Anywhere** Lisette Sutherland,Kirsten Janene-Nelson,2020-06-16 An excellent guide on how teams can effectively work together regardless of location STEPHANE KASRIEL former CEO of Upwork IN TODAY S MODERN GLOBAL ECONOMY companies and organizations in all sectors are embracing the game changing benefits of the remote workplace Managers benefit by saving money and resources and by having access to talent outside their zip codes while employees enjoy greater job opportunities productivity independence

and work life satisfaction But in this new digital arena companies need a plan for supporting efficiency and fostering streamlined engaging teamwork In *Work Together Anywhere* Lisette Sutherland an international champion of virtual team strategies offers a complete blueprint for optimizing team success by supporting every member of every team including EMPLOYEES small advocating for work from home options MANAGERS small seeking to maximize productivity and profitability TEAMS small collaborating over complex projects and long term goals ORGANIZATIONS small reliant on sharing confidential documents and data COMPANY OWNERS small striving to save money and attract the best brainpower Packed with hands on materials and actionable advice for cultivating agility camaraderie and collaboration *Work Together Anywhere* is a thorough and inspiring must have guide for getting ahead in today s remote working world *The Psychological Challenges of Remote Working* Naval Garg,Freda Van Der Walt,John Burgess,2023-06-27 **Managing People in the Hybrid Workplace** Kay Maddox-Daines,2023-05-23 *Managing People Effectively in a Hybrid Workplace* is designed to ensure that both aspiring and experienced people professionals are equipped with in depth knowledge of how workplace structures are being disrupted by new technology and working models It explores analytics and capability to provide evidence based insights that can shape employee experiences support adaptation to changing business conditions navigate risk drive workplace performance harness collaboration and open up new possibilities for HR and the organisation The book has been designed both as a text to support students studying HRM on university programmes and as a handbook for professionals wishing to update their knowledge in contemporary HRM The book also supports the core and specialist knowledge and core behaviours in the CIPD Profession Map **33 Tips for Working Remotely** Carmen Corral,2020-09-05 Remote working sounds as easy as grabbing your laptop and heading home But if you ve ever tried it you ll know it s not just a question of moving offices There are several barriers and obstacles involved some external others from yourself Working remotely means you have to adapt to a new and different environment and way of working In this book you ll find How to overcome the difficulties companies and people face when starting telework Practical tips to help you adapt to remote working more quickly Productivity techniques for more efficient remote work Time management techniques for more efficient remote working A look at the differences between remote and office work Exercises to help you discover what works for you personally for better remote working The pros and cons of remote working how to make the most of the flexibility remote work offers Secrets to success working remotely Remote work essential tips for working remotely doing your best work in a virtual world This is a book that every remote worker and future remote worker should read whether you re an employee head of Human Resources CEO or entrepreneur This book is for you if You re starting out remote working and you need a little support to adapt to this new way of working You re already remote working and want to take it up a notch get organized and be more efficient You think you could get a little more out of your day to day work You really want to make the most of the flexibility your telecommute offers This productivity guide to being more efficient while teleworking goes much

further than just giving you generic magical formulas that the best leaders supposedly use Here you ll find personal productivity tips to first get to know yourself better and then to adapt those time management and productivity techniques to your remote working needs Don t wait to improve your personal productivity while working remotely online You ll learn skills that will help you in both your professional and personal development The remote work revolution is here and succeeding from anywhere is now possible Many more jobs can be done remotely than we think Most office work could be done from home but there are other things you d never think of customer service phone lines psychotherapy life coaching yoga teaching Often we ourselves place limits and barriers on these things and need extreme circumstances to make us see that there are other possibilities With remote work office not required and telecommuting will bring many advantages to us and the environment Let s work remotely for a better world The pandemic has forced us into remote working with no clue how to do it without the means without the preparation needed The good thing is that it has given us the great opportunity to work from home which might otherwise have taken years or even decades to arrive Remote work is the new normal There is going to be more and more remote employment It s up to you to adapt to it and to take advantage of all the benefits it holds for your career Carmen Corral has been remote working for more than eight years both for companies and for herself After more than ten years working in Human Resources and Personnel Development stuck in an office from Monday to Friday 9 to 5 she decided to do something that gave her more flexibility in when and where she worked Now she works remotely while traveling the world
