MOM, I Want to Get to Know You Better? Sammie Lou, 2021-01-23 I created this book series because I wanted to pass on to my daughter lots of lessons that I learnt the things I love what my childhood was like and what it was like growing up in a different era to her There were so many things I wanted to tell her but they were important things and I wanted her to remember them forever so that she can pass them on to her children That's why I compiled a book of questions The answers are filled in by the person telling their story which means it will be in their own words and in their own handwriting which makes it such a beautiful keepsake When I filled in my book I also added some photos of the times I was writing about which really brought the stories to life for my daughter Now this book is one of her most prized possessions and she says It's the most thoughtful and precious gift anyone has ever given her If you are a new mother what a beautiful gift to fill in over the years to give to your child when they grow up There are also some funny and quirky questions which also help capture the personality of the person filling in the book Some people don't find it easy to talk about themselves but writing their story down often comes much easier especially as there are so many questions in this book to prompt them Also in this series of books are Dad I Want To Get To Know You Better Grandfather I Want To Get To Know You Better Grandmother I Want To Get To Know You Better Auntie I Want To Get To Know You Better Uncle I Want To Get To Know You Better **100**
