The Remote Work Handbook Mari Anne Snow, 2022-09-13 The Remote Work Handbook

The Definitive Guide for Operationalizing Remote Work as a Competitive Business Strategy is for readers seeking to leverage the business benefits of a flexible remote workforce. It is a practical guide for building and implementing remote work at any size organization. C-suite executives, operation leaders, business owners or entrepreneurs who recognize the workplace is changing can use it to re-tool their operations for a strategic business advantage. Mari Anne Snow, the author, is a recognized remote work expert with over 20 years of experience leading remote teams and has re-written the rules of leadership to unlock the potential in remote and distributed teams. In this book, she shares all her secrets. The book explores the untapped potential of remote teams and lays out the business case for adopting a new flexible workplace model to build organizational resilience and a competitive edge. It takes the reader through the step-by-step process of constructing a remote work operating model, staging an implementation, then institutionalizing and sustaining the change. It includes down-to-earth professional and personal stories that alert the reader to the top priorities and operational realities they will face as they craft their own implementation plan for operationalizing remote work at their company.

Handbook of Organizational Creativity Roni Reiter-Palmon, Sam Hunter, 2023-06-22. This Handbook of Organizational Creativity: Leadership Interventions and Macro Level Issues, Second Edition, covers creativity from many perspectives in two unique volumes including artificial intelligence, work creativity within specific applied domains (e.g., engineering, science, therapy) and coverage of leadership. The book includes individual, team, and organizational level factors and includes organizational interventions to facilitate creativity such as training. Chapters focus on creative abilities and creative problem-solving processes along with individual differences such as motivation, affect, and personality. New chapters include the neuroscience of creativity, creativity and meaning, morality, ethicality, and creativity and creative self-beliefs. Sections on group-level phenomena examine team cognition, team social processes, team diversity, social networks, and multi-team systems and creativity. Final coverage includes different types and approaches to leadership such as transformational leadership, ambidextrous leadership, leader-follower relations, and more. Focuses on the key need to increase creativity and innovation in organizations. Identifies factors influencing organizational creativity in specific subject domains. Discusses effects of rewards, training, and performance management on creativity. Contains new coverage of virtual teams, creative meetings, and multi-team systems. Presents interventions to improve organizational creativity. Explores use of AI technology and design thinking for organizational creativity. This expanded second edition is divided into two volumes.
