dozens of books including ours that have checklists that remind you of the many tasks you should perform when starting a business. Although such checklists are very useful because they help you remember important startup steps, they are just To Do lists. They tell you what to do but don't provide any tips about what makes a business successful. Unfortunately, you don't succeed in business just by completing a list of tasks. Nor will your business be a success just because you think it's a good idea.
