Due Process And Fair Procedures A Study Of Administrative Procedures:

Principles of Administrative Procedure in EC Law Hanns Peter Nehl, 1999-01-01 This book presents an analysis of the recent development of administrative procedures in EC law It is a pathbreaking study of what might be termed the constitutionalising norms now emerging including a range of process rights and procedural standards such as the right to access to information the right to be heard the principle of care and duty to state reasons These new standards are increasingly applied in areas as diverse as competition State aids customs matters anti dumping and the European Social Fund Different strands of case law of the EC courts are thus connected to document the overall evolution of procedural rules peculiar to the EC administrative system as a whole The author adopts a critical stance in particular towards the case law of the Court of First Instance and points out the increasing pressure being brought to bear on the European Commission in respect of its procedural requirements Particular emphasis is placed on the concept of care i e the duty to collect and examine the factual and legal points of individual cases impartially and carefully The book reveals both the theoretical and practical relevance of this principle as a means of both procedural and substantive review and the reasons why it is likely to be misinterpreted by the courts

Judicializing the Administrative State Hiroshi Okayama, 2019-05-10 A basic feature of the modern US administrative state taken for granted by legal scholars but neglected by political scientists and historians is its strong judiciary Formal or court like adjudication was the primary method of first order agency policy making during the first half of the twentieth century Even today most US administrative agencies hire administrative law judges and other adjudicators conducting hearings using formal procedures autonomously from the agency head No other industrialized democracy has even come close to experiencing the systematic state judicialization that took place in the United States Why did the American administrative state become highly judicialized rather than developing a more efficiency oriented Weberian bureaucracy Legal scholars argue that lawyers as a profession imposed the judicial procedures they were the most familiar with on agencies But this explanation fails to show why the judicialization took place only in the United States at the time it did Okayama demonstrates that the American institutional combination of common law and the presidential system favored policy implementation through formal procedures by autonomous agencies and that it induced the creation and development of independent regulatory commissions explicitly modeled after courts from the late nineteenth century These commissions judicialized the state not only through their proliferation but also through the diffusion of their formal procedures to executive agencies over the next half century which led to a highly fairness oriented administrative state

The Common Core of European Administrative Laws Giacinto della Cananea, 2023-07-24 Though European administrative laws have gained global significance in the last few decades research which provides both theoretical analysis and original empirical research has been scarce This book offers an important account of the evolution of judicial review and administrative procedure legislation using a factual analysis to shed light on how the different legal systems react to similar problems

Discussing the concept of a common core Giacinto della Cananea reveals the commonalities in and differences between the foundational assumptions of European administrative adjudication and rule making

Refugee Law and Practice in Japan Osamu Arakaki, 2008-01-01 This volume examines the development of refugee law and policy in Japan The book discusses systemic weaknesses and compares the evolution of law in Australia and New Zealand to highlight problems in Japan's refugee determination system Ultimately the book calls for Japan to reform failing systems and take innovative action towards refugee protection

We, The People(s) Claire Charters, Dean Robert Knight, 2013-01-01 The analyses in this book focus on the participation of the people within New Zealand's system of government The chapters provide a thorough examination of the government's size accessibility structure electoral system and active committees in order to explain trends in the participation of sub state actors such as indigenous peoples and other minority groups

Tort Liability of Public Authorities in European Laws Giacinto Della Cananea, Roberto Caranta (juriste), 2020 Administrative law permeates all areas of law and this series focuses on its role both regionally and globally This volume considers tort liabilities in European public authorities It looks at several European countries using case studies to compare administrative laws across the EU

The Right to Due Process Kimberly Troisi-Paton, 2005 The Bill of Rights series highlights the living and breathing document Each anthology focuses on one civil right guaranteed by the amendments and traces its evolution throughout American history to the present Primary documents including landmark Supreme Court rulings reveal the ongoing effort to define the exact meaning of the text and apply its abstract concepts to real world cases Secondary sources including magazine articles and book excerpts add an additional layer of analysis and commentary Taken together the volumes of The Bill of Rights series illuminate the defining ideals of American democracy

The Bill of Rights Thomas Tandy Lewis, 2002 The Bill of Rights The Amendments 1 10 Over 250 Supreme Court cases Essays on The Issues Academic Freedom Freedom of Assembly association Automobile searches Bad tendency test Bail Right to birth control Blasphemy Capital punishment Censorship Chilling effect Civil rights and liberties Clear and present danger test Commerce clause Commercial speech Comstock Act Conscientious objection Freedom of contract Right to counsel Cruel and unusual punishment Double jeopardy Procedural due process Substantive due process Elastic clause Espionage Acts Exclusionary rule First Amendment absolutism balancing speech tests Flag desecration Gag order Gay lesbian rights Grand jury Hatch Act Hate crimes Hicklin rule Indian Bill of Rights Indigent criminal defendants Japanese American relocation Judicial scrutiny Trial by jury Libel Loyalty oaths Miranda rights Miscegenation laws Natural law Newsroom searches Nuremberg Files Obscenity pornography Right of petition Preferred freedoms doctrine Presumption of innocence Preventive detention Prior restraint Right of privacy Privileges immunities Probable cause Property rights Public forum doctrine Public use doctrine Released time Establishment of religion Freedom of religion School prayer Search seizure Search warrant requirement Sedition Act of 1798 Seditious libel Immunity against self incrimination Silver platter doctrine Smith Act Freedom of speech press Speedy trial States rights Stop

frisk rule Symbolic speech Takings clause Time place manner regulations Unprotected speech Confrontation of witnesses and Zoning

The Europeanisation of Administrative Law Karl-Heinz Ladeur, 2002 This volume is based on a workshop held at the European University Institute Florence November 1999 The papers have since been revised and updated and focus on the growing impact of European law on the core elements of member states administrative law and especially on their different conception of procedure The first article confirms the American experience that autonomy of procedural rationality is not easy to picture and that implementing a similar procedure in Europe will face difficulty The other articles look at the procedures that exist in different member states and how a change in procedure could possibly undermine national law and procedure without replacing it with anything substantial

ABA Journal, 1956-04 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

Michigan Law Review, 1997

The Regulation of Organised Civil Society Jonathan Garton, 2009-06-30 This book considers from first principles when it is appropriate to regulate organised civil society and how that regulation can be accomplished

Civil Society and Legitimate European Governance Stijn Smismans, 2006 Based on a workshop organized at the Institut d Etudes Politiques in Paris in May 2003
