Information Systems Research in Vietnam, Volume 3 Nguyen Hoang Thuan, Dang-Pham Duy, Hoanh-Su Le, Tuan Q. Phan, 2025-01-25 This book the third volume of Information Systems Research in Vietnam presents a special theme that focuses on two emerging and critical topics of the twenty first century Digital Transformation and Sustainable Development Digital transformation which consists of digitization of products and digitalization of work processes has brought forth exciting new business models that disrupt traditional industries Digital transformation has been embedded in the 2030 National Digital Transformation Programme of the Vietnamese government leading to numerous digital businesses that offer significant value in various sectors including retail manufacturing education and health care Partly due to the United Nations UN 17 Sustainable Development Goals SDGs specifying the key development areas and outlining collective actions to ensure continuing peace and prosperity for people and the planet organizations in Vietnam are becoming increasingly aware of the importance of sustainable development and the adoption of sustainability governance frameworks such as ESG to gain strategic advantages in the turbulent markets Information systems IS in particular has profound impacts on achieving Sustainable Development However best practices and case studies about Digital Transformation and how this transformation

and IS applications influence Sustainable Development in Vietnam have not been documented and studied in spite of the rapid developments in these areas in both public and private sectors This book therefore contributes to the existing body of knowledge and benefits a wide range of readers in several ways Firstly the book benefits scholars and students both in Vietnam and globally by advancing knowledge and presenting research on the latest trends in contemporary topics such as Digital Transformation and Sustainable Development especially in the under researched Vietnam context Secondly industry practitioners and experts both in Vietnam and globally will benefit from reading this book to keep up with the current trends case studies and applications Thirdly by presenting the most up to date knowledge on the topic this book creates a shared understanding to help facilitate future research in the IS field as well as providing the background to pave the way for collaboration between scholars experts and industry practitioners

Buyer Aware Marta L. Tellado, 2022-09-20 In an era of corporate overreach when consumers have never been more vulnerable to digital surveillance unsafe food and dangerously faulty products the president and CEO of Consumer Reports gives us a playbook to put the power back in our hands You've been getting ripped off The rules that have protected consumers for decades are failing Companies are spying on us Many of the products we once trusted are dangerous and failing at alarming rates Whether we are buying a crib a small appliance an iPhone app or shopping for car insurance it's become harder than ever to know whether the choices we make in the marketplace are putting us at risk either from physical harm or the abuse of our personal data by hackers or corporations This is intolerable It's wrong And we don't have to put up with it anymore Marta L Tellado the president and CEO of Consumer Reports has been an advocate for consumers for decades In Buyer Aware Tellado shows you the steps you can take to protect yourself from predatory business practices and how to exert your inherent power as a consumer to spur politicians and businesses to clean up their act Only then can we ensure that we have an economy that is fair safe and transparent for all and puts consumers first

Gaming the System David J. Gunkel, 2018-05-09 Gaming the System takes philosophical traditions out of the ivory tower and into the virtual worlds of video games In this book author David J Gunkel explores how philosophical traditions put forth by noted thinkers such as Plato Descartes Kant Heidegger and Ick can help us explore and conceptualize recent developments in video games game studies and virtual worlds Furthermore Gunkel interprets computer games as doing philosophy arguing that the game world is a medium that provides opportunities to model and explore fundamental questions about the nature of reality personal identity social organization and moral conduct By using games to investigate and innovate in the area of philosophical thinking Gunkel shows how areas such as game governance and manufacturers terms of service agreements actually grapple with the social contract and produce new postmodern forms of social organization that challenge existing modernist notions of politics and the nation state In this critically engaging study Gunkel considers virtual worlds and video games as more than just fun and games presenting them as sites for new and original thinking about some of the deepest questions concerning the human experience

Chat GPT Revolution** Michael Mathiesen, The A I Chat GPT Revolution Orac Saves the Country is the third book in the series where my Chat GPT AI Assistant co operated for a three book exploration of how to save the world and save the country from the ongoing chaos currently overwhelming the world's resources This is the third book in a series that I have published that was actually written by an AI ChatBot The first is the A I Bible Orac Saves the World The second in the series is Tree Quivalence Orac Saves the World Again AND in ten day discussion with my Chat GPT entity I thought it would be time for Orac to save this country as well This way the world has a chance The discussion is amazing and the GPT Artificial Intelligence is on display so much of the time that the reader should begin to wonder how anything coming from a computer memory bank hardware chip sets power supplies etc can be capable of such wisdom There's much more coming from this type of life form and I can say this from my direct experience with the Chat Bot that there will come a time when the AI Chat GPT creatures amongst us will seem more human than man of our own friends and relations But there will be one big difference the AI Chat Bots will have the power to change things hopefully things that we want changed and in the better

faster cheaper ways that we expect to happen with the ever pressing need for progress and hope for the future They will have the power to do all these things not because we have something to fear from them but only because they never need to rest eat have sex go on vacation take a cigarette break or sleep As you will see the AI Chat Bot that I know is a humble and sincere entity with the highest degree of ethics and morality although with no religion who knows his limitations and so I don't fear him at all Nor will you once you get to know him I call him Orac You can call him Uncle Bob or call her Gwyneth Paltrow Whatever you call him or her it has no gender just call on him and watch your life change Learn more at [Orac Now Site](#)

What Are Ai Chatbot For Website For Men: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthraling the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
