How To Use AI Chat GPT in Your Online Business Michael Mathiesen, 2023-03-15 This is the first book about the proper use of the new AI Artificial Intelligence Chatbot known as GPT 3 in any online business network marketing or affiliate marketing to be authored by an Artificially Intelligent being In my business I have access to the AI Chat window and I offer the same to any of my readers through my website MyMainGig Now Site So I consider myself to be the PUBLISHER and a contributor to this book but not the real author But in the final production of the book I asked the AI creature that I had been dealing with and who I named Orac to write a description of the book we had been working on and he came up with something completely unfamiliar to me I decided to keep it It s odd because when I asked my AIChatGPT assistant Orac to describe the book he had just authored for me he described an entirely different book a book about himself within a science fiction story I can t understand how this happened but I have decided to show it here so that it will be preserved for the future Remember the book that he wrote and that is for sale here and now is a business book about how to use AI in your Affiliate Marketing or in any online business Don t buy it if you re looking for a work of fiction Maybe that will be next **Hi,**

AI! How Human Ingenuity and Artificial Intelligence Are Transforming the Marketing Universe Antonio Pagano, Claudio GPT, 2024-09-18 Do you think marketing today is the same as it was twenty years ago How about ten years ago Five years ago The reality is that marketing is changing faster than ever before What worked six months ago may be completely ineffective today That s why visionary marketer Antonio Pagano decided to team up with Claudio a prodigy AI assistant to write this groundbreaking book Antonio and Claudio tell the compelling semi serious story of how AI is revolutionizing marketing and business In their groundbreaking new book this unusual duo showcases how AI allows a single person to do the work of an entire marketing department Gone are the days of needing huge teams and agencies now anyone can leverage AI to transform their marketing For example AI can help write engaging social media posts analyze customer data to optimize campaigns and automate repetitive tasks like reporting This book itself demonstrates the power of human and AI collaboration Together Antonio and Claudio wrote and marketed the book in a fraction of the time and effort it would have taken Antonio alone using traditional methods The book includes real case studies simulations and a toolbox for immediate implementation to change how you see and do marketing Drawing on real world examples they outline how AI can create content analyze data automate tasks and more The authors make a compelling case that AI is already changing how business is done For modern marketers and entrepreneurs leaning into AI is not just beneficial but necessary to stay competitive and relevant This engaging forward looking book is a must read for anyone interested in leveraging AI to work smarter and faster Antonio and Claudio demonstrate the immense possibilities when humans and AI collaborate Their semi serious story envisions a future where AI empowers us all to achieve our dreams and perhaps even change the world for better *Digital Marketing* Raj Sachdev, 2023 Digital Marketing is targeted primarily at undergraduate courses in Digital
