 resources and materials enrich classroom activities with e mail promote highly motovating international exchanges and train  
 students to find their own learning materials on the Internet      How to Easily Write Effective E-mails in English Fiona E.  
 Campbell,2013-03-17 Working at an international level often means having to communicate in a foreign language how much  
 difficulty and stress does this create in your daily life Writing effective e mails in our native language is challenging enough  
 the difficulty in another language is obviously magnified The quantity of time we spend writing e mails in a foreign language  
 often exceeds the quality of the message we actually send We all know that it takes twice as long and even longer to write  
 something in another language don t we I know well I can assure you it is the same for me in Italian No matter how fluent we  
 are in a second language we always worry about embarrassing ourselves and not giving our usual professional image when  
 we communicate to our customers and business in a language that isn t ours One of the most time consuming yet important  
 tasks that we have to do each day is to go through our inboxes that overflow with messages that require responses urgent  
 and non Precious time is taken away from the activities and results we have to produce while we worry and feel frustrated  
 about making mistakes creating misunderstandings and not being able to express ourselves in the same way as we can in our  
 own language With the amount of e mails we have to deal with on a daily basis even seemingly unimportant e mails become  
 much bigger obstacles than they should be All this frustration leads us to build up even more stress in our work Learning to  
 write in English however does not have to be painful and stressful This book has been specifically created with you in mind It  
 aims to help you to become more competent and confident in writing e mails in English have at your disposal all the basic key  
 expressions and phrases you ll need express yourself clearly simply and concisely write organized focused and effective e  
 mails avoid writing unnecessary e mails obtain the results information or action you require more effectively and promptly  
 This practical and informative book offers indispensable guidance for writing simple short and organized e mails in English It  
 is full of useful and valuable information and advice on e mail communication and structure It contains lots of essential  
 formal and informal functional phrases and expressions in English It consists of five modules each one focusing on different  
 components and structure of an email key functional language phrasal verbs and useful and practical activities have been

incorporated to help you immediately repeat practice and consolidate the language and concepts introduced in each module. There are over 34 practical activities for you to complete and lots of practical rules for you to have available whenever you need them. This e-workbook offers you structure and a 7-point framework to follow: 1. identify your audience, 2. identify the purpose of your e-mail, 3. write a suitable subject line, 4. select an appropriate greeting and opening phrase, 5. say why you are writing, 6. select an appropriate closing phrase and sign off, 7. check your e-mail for errors and style, then push the send button. It's as simple as this. Obviously, you have to add the relative personal content, time, dates, official data, etc. I can't give you this information, but along with checklists, sample e-mails, useful reference data, and punctuation and spelling tools, you have everything you'll need in order to be able to easily write effective and focused e-mails in English. Finally, no more stress.
