Entrepreneurship, Innovation, and Sustainable Growth

Nader H. Asgary, Emerson A. Maccari, Heloisa C. Hollnagel, Ricardo L.P. Bueno, 2024-03-20 Entrepreneurship and innovation play a vital role in fostering sustainable development. Advances in technology and communications have both transformed the process of business and strengthened the role of entrepreneurship in developed and developing countries. This new edition of Entrepreneurship Innovation and Sustainable Growth provides the fundamental concepts and applications for faculty and students in this field and also serves as a professional reference for practicing entrepreneurs and policymakers. Each chapter provides a clear guide to the conceptual and practical elements that characterize entrepreneurship and the process of new venture formation including functional strategies in key areas such as marketing, information technology, human resources, management and accounting, and finance. Updated throughout to take account of recent developments in topics such as environmental impacts, diversity and inclusion, and COVID 19, the book is a comprehensive and holistic approach to the theory, policy, and practice of entrepreneurship and innovation. Keeping practicality as the book's core aim, all chapters include a long case study to set the scene and then draw upon shorter cases from both developing and developed countries to reinforce key learning objectives and the real world application of the book's core concepts. With new questions and exercises presented throughout in order to encourage discussion and problem solving, quick summaries of the important concepts and definitions, and extensive support for lecturers and students, Entrepreneurship Innovation and Sustainable Growth Second Edition is ideal for students at undergraduate and postgraduate level. The Business Side of Show Business Caroline

Ravn, 2025-12-09 The Business Side of Show Business: How to Make a Living Onstage is the ultimate guide for performers who want to turn their passion into a sustainable career. Written by Caroline Ravn, an accomplished magician, emcee, and 5x TEDx speaker, this book offers a comprehensive roadmap for anyone looking to make a living in the performing arts, regardless of their niche. Caroline wrote this book to demystify the business side of show business, offering practical, actionable strategies to help entertainers build profitable careers on their own terms. Packed with insights from her journey, Caroline dives into the critical aspects of running a business, including marketing, networking, pricing, and client relationships. From understanding the financial nuances of a performance career to mastering negotiation and booking strategies, The Business Side of Show Business addresses the questions many performers have but rarely find answers to. It's everything she wishes she knew when she got started. Although written by a magician, this book is designed for every kind of performer or stage personality, from magicians to musicians, comedians to dancers, who dream of stepping into the spotlight and making a sustainable income doing what they love. With Caroline's guidance, readers will learn how to thrive as artists, entrepreneurs, and entertainers, building a career that marries passion with profit. *How to Use ChatGPT for Your Small Business*: Daniel Harris, 2025-08-11 How to Use ChatGPT for Your Small Business: Are you a small business owner looking for a smarter, faster, and more affordable way to grow your business?
