*EPIC Impact* Hailey Evans, Feel like no one's really hearing your message Your story isn't connecting because you're telling it the wrong way Hailey Evans has created a storytelling framework that's not only clear and flexible but also scalable If you're in fundraising sales or any role where storytelling drives action this book shows you exactly how to make it work It combines powerful story structure with AI driven workflows in a way that's both practical and effective I've had the privilege of previewing many books Most are good Some are great This one I'd be tempted to steal from it if Hailey hadn't already handed us the entire blueprint

Holland Webb Editor The EPIC Framework is the only universal emotionally resonant messaging system that works with any audience on any platform anywhere It's your shortcut to clarity connection and measurable results delivering content that converts with heart and builds trust fast AI alone can't tell your story but when paired with the proven EPIC Framework it unlocks the power to connect inspire and create lasting change This framework wasn't built in a boardroom It was forged in the real world where stories meet stakes It was born at a kitchen table where a single mom on food stamps stared down a stack of scholarship applications and an uncertain future With no money no connections and only one thing in her favor a story that mattered she transformed despair into 52,000 in scholarships earned three debt free degrees and began a mission to help leaders communicate with clarity confidence and impact Are you ready to lead with a message that moves people What You'll Learn How to craft a message that captivates attention instantly How to build trust with emotionally charged authentic storytelling How to inspire action from donors clients customers or your team How to close with clarity and confidence without sounding pushy What You'll Get AI powered prompts to generate irresistible high impact content

Downloadable storytelling tools to save time while keeping your message authentic Real world examples for websites speeches emails social posts and more Who This Book is For Nonprofit leaders Entrepreneurs and solopreneurs Coaches consultants and communicators Authors and speakers Anyone with a mission too important to be ignored If you are ready to grow your reach build unshakable trust and finally explain what you do in a way people instantly understand you are just one story and one smart prompt away from your next breakthrough EPIC Impact Emotionally Resonant Universally Effective On Any Platform The framework that visionary leaders changemakers and top performers are raving about because it delivers results that stick BONUS Visit [epicimpact.com](http://epicimpact.com) to claim your FREE EPIC Impact Starter Kit packed with the templates worksheets and resources featured in the book Be sure to have your Amazon order number ready when you claim your resources Wondering if the EPIC Framework really works See below why leaders everywhere call it the ultimate storytelling advantage and why they can't stop talking about its transformative power Love what you are seeing Hit Follow on my Amazon author page and add EPIC Impact to your favorites to stay in the loop Big things are coming

*Anti-Racist Leadership* James D. White, 2022-03-22 Building anti racist companies by design creates great places to work for all Business leaders ready to take a bold stance to make the world better for employees for consumers and for the greater community Read this book As leaders you have the unique ability to reach thousands of employees and millions of consumers It's time for you to build a truly diverse equitable and inclusive work environment and by extension a more just society This book provides a comprehensive plan for leaders who are ready to get serious about diversity equity and inclusion DEI and to create an anti racist company culture As a Black man at the highest levels of corporate America for over thirty years James D White has built a deep understanding of how to operationalize and integrate DEI agendas As CEO and Chairman of the global smoothie chain Jamba Juice he led a remarkable turnaround to make the company a model of strong performance built on a foundation of a diverse anti racist culture He also draws on the experiences of other leaders at the vanguard of DEI White writes with his daughter Krista White who brings to this book the heart and sensibilities of a younger generation devoted to equity and inclusion and intent on justice Practical lessons and real world examples of techniques used by seasoned experts will empower leaders who at this urgent moment are asking themselves what so many have asked James White What can I do You can start by reading this book

*Springer Handbook of Automation* Shimon Y. Nof, 2009-07-16 Automation is undergoing a major transformation in scope and dimension and plays an increasingly important role in the global economy and in our daily lives Engineers combine automated devices with mathematical and organizational tools to create complex systems for a rapidly expanding range of applications and human activities This handbook incorporates these new developments and presents a widespread and well structured conglomeration of new emerging application areas of automation Besides manufacturing as a primary application of automation the handbook contains new application areas such as medical systems and health transportation security and maintenance service construction and retail as well as production or logistics This

Springer Handbook is not only an ideal resource for automation experts but also for people new to this expanding field such as engineers medical doctors computer scientists designers It is edited by an internationally renowned and experienced expert

**Continuous Auditing with AI in the Public Sector** Lourens J. Erasmus, Sezer Bozkus Kahyaoğlu, 2024-09-18

The effectiveness of internal audit activities is important for the sustainability of change in the public sector In this sense the tools and techniques used and the level of competencies of public sector auditors are decisive This book deals with the effects of current technological developments in the public sector on auditing and risk management activities Therefore it is a resource for public internal auditors to create a digital audit strategy based on artificial intelligence AI and blockchain based applications Institutionalisation of their structures is important for public sector internal auditors For this basic requirements future expectations and best practices are explained The digital business model is presented to produce value added audit findings and outputs that guide public internal auditors and all digital era stakeholders This book is a pioneering work based on continuous auditing continuous monitoring approaches using various AI and blockchain based tools and techniques There is nothing more valuable to the success of a public internal auditor than a detailed understanding of the business The important lesson in developing business knowledge especially in the new audit universe emerging with digital transformation is that all auditors must understand that they never finish learning about business processes risks and control points in the digital era They must constantly push themselves to be motivated and learn about the business operations they audit to implement new audit approaches powered by AI In addition to obtaining up to date business information from process owners and stakeholders public auditors responsible for conducting an AI based continuous audit programme should also look inside their departments for a different perspective on business information that impacts continuous audit programme phase details and has the potential to add value It should be noted that the additional source of information begins with your individual audit experience digital skills and qualifications
