Culture Hacks Colin D Ellis, 2022-01-01

The go to guide to transforming the way you work from award winning international speaker Amazon 1 best selling author and renowned culture change expert Colin D Ellis

Culture is the 1 determinant of team and organisation success and yet too many people still don t know where to begin the evolution process

Often they will change the office layout implement the latest silver bullet method or have the CEO start walking around saying hello to people through gritted teeth

These are lip service responses to culture change that don t provide any incremental improvements to people s working lives

Culture Hacks is filled with simple actionable ideas that over time can transform the way that work gets done

From emails to book clubs and meetings to podcasts take regular steps to build a fantastic work culture that everyone wants to be a part of

As there are 26 Culture Hacks in the book readers and their teams can try a different one every two weeks for a year

Alternatively they could pick one thing every month or they could divide them across different areas within their team so that different people are doing different things

Or they could put them all in a hat and pick one out to try

Doing something differently will make your

team memorable in a host of great ways and create stories that they'll share for years. Culture change isn't hard; you just don't know how to hack your day. With Culture Hacks, you do. **CEO From Home** Jennifer Morehead, Heather

the secret to being productive and successful no matter where you are with this essential guide to remote work. During COVID-19, working from home became the new normal. Now both employers and employees find that the remote work they were forced to adjust to may be well better financially, sustainably, and even in terms of overall morale and productivity. But working from home is not without its challenges. It can be difficult to eliminate distractions, strike a solid work-life balance, and maintain social connections that are crucial in the workplace. Whether you're trying to find and land a job from the comfort of your home, learning to manage a virtual team, or dream of living a digital nomad lifestyle, **The Everything Guide to Remote Work** has everything you need to be successful. You'll learn to optimize your own workplace culture, whether it's in your home office or a constantly changing backdrop. So whether your company continues to work remotely full-time or you only have to go to the office a few days a week, you'll be armed with all the tools you'll need to make the most out of this new lifestyle. **Remote Relationships in a Small World** Samantha Holland, 2008 How do people have relationships when they are apart or develop them when they've never even met? From MySpace and weblogs to romance and sexuality, this book draws together a range of studies on remote relationships, investigating the intricate, intimate ways that people forge connections online. The term "remote" refers to the technologies that facilitate forms of communication and also underlines the lack of physicality involved in these relationships developed at a distance. Using empirical data, these collected essays explore a wide variety of relationships, examining the methodological and ethical issues that researchers face. **Remote Relationships in a Small World** part of a new generation of online studies responds to the need for research that focuses on social relationships.
