**FOLLOW YOUR DREAMS AND WORK FOR YOURSELF** The Artist's Way for the 21st century. Whether you want to quit your 9-5 job to be self-employed or you want to streamline your career to be more efficient, *IT'S A LIVING* is for you. According to this year's most comprehensive study, there are over 57 million freelancers in the U.S. alone and growing. The largest segment of that freelance community is made up of artists and creative professionals such as designers, writers, filmmakers, etc. The appeal to become self-employed is global. Statistically, freelancers make more money per hour than traditional employees. More and more each year, Millennial and Generation Z women and men are choosing to freelance instead of traditional employment. It's a great way to have a flexible lifestyle and be your own boss. Schools don't teach what you learn in the field, and it's intimidating to embark into uncharted territory. That's why this self-help guide is extremely beneficial. Cristian has been a full-time artist for over 17 years, working in Canada and the U.S. and owned an art school in the process. He wrote *IT'S A LIVING* to help creative people make a happy and successful living on their own terms. With a focus on developing a diverse set of skills to be able to survive and thrive as a freelancer, Cristian also encourages you to adopt a healthy diet and exercise regiment as well as a work schedule that's designed for maximum productivity. The book also provides sales techniques for winning online commissions on apps like Upwork and Fiverr and strategies for negotiating contracts with clients. The online chapter is the most extensive, providing templates for bidding on projects and addressing other aspects of working online like escrow, disputes, arbitration, outsourcing, and more. Soft skills such as professional etiquette and choosing the right meeting locations are prioritized as much as hard skills like artistic excellence and always over-delivering on both. Self-marketing and branding are also explored, as well as resources for creating residual income on print-on-demand platforms and through online courses. What's more, Cristian dives deep into what makes us artists and why it's important to be true to yourself in the pursuit of your destiny. This book is for everyone that aspires to become the complete package: a great artist, a reliable professional, a smart business person, a good provider, and a valuable and friendly member of our community. *IT'S A LIVING* is truly the ultimate guide for freelance artists and creative professionals. Kindle edition is in full colour, while the paperback features black and white art and photos on quality cream paper. Purchase your copy today and master your life and career.
