Harrington, AI, 2025-03-04 Power Hours presents a structured approach to boosting productivity through strategic scheduling and focused work sessions. It emphasizes the importance of aligning tasks with your peak energy times and creating distraction-free environments to facilitate deep work. This method challenges traditional time management which often treats all tasks equally regardless of individual energy levels. The book argues that consistent focused effort yields greater results than scattered work. The book introduces core principles of Power Hour scheduling supported by research from psychology and neuroscience. It guides readers in identifying their most important tasks, aligning them with peak performance times, and creating environments free from distractions. Strategies for managing email, social media, and other common interruptions are provided. Did you know that studies show multitasking can reduce productivity by as much as 40%? Similarly, focused time blocks can significantly increase efficiency. Progressing through chapters, the book explores maintaining momentum and avoiding burnout, offering tips on rest and recovery. Power Hours also provides real-world case studies and templates for implementation. This book's unique value lies in its emphasis on creating a sustainable system that integrates into existing workflows, helping readers work smarter, not harder, leading to enhanced focus and accomplishment.

The Content Planner Angela Crocker, 2016 The Content Planner helps business writers plan, create, and publish content to a website. Readers know the importance of publishing frequent, unique content to their blog, but they struggle to take action. Some are overwhelmed at the prospect of brainstorming topics to write about, let alone writing and publishing the content. Others are unable to organize their ideas into a viable publishing schedule and end up publishing nothing. By using an editorial calendar to plan a month of online content in advance, each business will save time, build relationships with customers, write more professionally, share content consistent with the brand, better serve their customers and potential customers. The Content Planner provides a structure that focuses each business on the types of content that support their business objectives. The process also formalizes their plans in a pen-on-paper calendar to use as a work plan. By knowing what to write about and when, the writers can take timely action.
