Unmute Yourself Yayan Sopyan, 2025-04-12 Are you an introvert who struggles to show up online? You're not alone, and you don't have to fake it to make an impact. *Unmute Yourself* is a strategic and reflective guide to building personal branding on social media without compromising who you are. Written specifically for introverts, this book combines storytelling, insight, mindset coaching, and real-world examples to help you discover your authentic voice and message. Show up consistently with clarity and confidence. Create a content rhythm that feels sustainable. Turn quiet strength into visible presence. Whether you're a freelancer, a creator, a professional, or simply someone who wants to be seen without becoming someone else, this book is for you. It's not about shouting louder; it's about showing up smarter, with intention, empathy, and integrity. Your voice matters. You don't have to be loud. You just need to be clear, true, and ready.

Ideologies in Educational Administration and Leadership Eugenie Samier, 2016-04-28 *Ideologies in Educational Administration and Leadership* explores ideological dimensions of educational administration in a number of Western and Central European contexts as they influence or shape the understanding, analysis, and practice in the field, covering a broad range of topics such as ethics, governance, diversity, and power. The first section, *Philosophical and Theoretical Foundations*, includes a range of sociological, political, and linguistic approaches to examining ideology in an educational context. The second section, *Ideologies of Research and Teaching*, includes examinations of neoliberal and technological effects on research and teaching, as well as ideological shifts and challenges in the West and in Eastern Europe. The last section, *Contemporary and International Issues*, includes critiques of social media, neoliberal impact on schooling, managerial leadership, university ideologies in Finland, the rationalisation of universities, and the impact of administrative ideologies on school systems. The book will appeal to researchers, practitioners, policy makers, academics, as well as post-graduates in educational administration, theory, and related courses in the ethics and politics of education, educational leadership, and organisational studies.
