Richard Bailey

What Is Home Office Setup For Dads In America:

Black Fathers Michael E. Connor, Joseph White, 2011-06-02 This book offers a broader more positive picture of African American fathers Featuring case studies of African descended fathers this edited volume brings to life the achievements and challenges of being a black father in America Leading scholars and practitioners provide unique insight into this understudied population Short sighted social policies which do not encourage father involvement are critically examined and the value of father engagement is promoted The problems associated with the absence of a father are also explored The second edition features an increased emphasis on the historical issues confronting African descended fathers the impact of health issues on Black fathers and their children the need for therapeutic interventions to aid in the healing of fathers and their children the impact of an Afrikan centered fathering approach and the need for research which considers systemic problems confronting African American fathers community focused models that provide new ideas for re connecting absent fathers learning tools including reflective questions and a conclusion in each chapter and more theory and research throughout the book Part I provides a historical overview of African descended fathers including their strengths and shortcomings over the years Next contributors share their personal stories including one from a communal father working with underserved youth and two others that highlight the impact of absent fathers Then the research on father daughter relationships is examined including the impact of father absence on daughters and on gender identity This section concludes with a discussion of serving adolescents in the foster care system Part II focuses on the importance of a two parent home communal fathering and equalitarian households Cultural implications and barriers to relationships are also explored This section concludes with a discussion of the struggles Black men face with role definitions The book concludes with a discussion of the impact of adoption and health issues on Black fathers and their children and the need for more effective therapeutic interventions that include a perspective centered in the traditions and cultures of Afrika in learning to become a father The final chapter offers an intervention model to aid in fatherhood An ideal supplementary text for courses on fathers and fathering introduction to the family parenting African American families men men and masculinity Black studies race and ethnic relations and family issues taught in a variety of departments the book also appeals to social service providers policy makers and clergy who work with community institutions

The American Journal of Insanity ,1912 **American Sacred Space** David Chidester, Edward T. Linenthal, 1995-11-22 In a series of pioneering studies this book examines the creation and the conflict behind the creation of sacred space in America The essays in this volume visit places in America where economic political and social forces clash over the sacred and the profane from wilderness areas in the American West to the Mall in Washington D C and they investigate visions of America as sacred space at home and abroad Here are the beginnings of a new American religious history told as the story of the contested spaces it has inhabited The contributors are David Chidester Matthew Glass Edward T Linenthal Colleen McDannell Robert S Michaelsen Rowland A Sherrill and Bron
