Restoring America's Foundation: Empowering Fathers for Strong Families Philip M. Herrick, 2023-11-13 In Restoring America's Foundation Empowering Fathers for Strong Families author Philip M Herrick delves into the critical role fathers play in shaping the foundation of American society and the challenges faced by contemporary families This powerful book emphasizes the importance of dedicated and nurturing fathers who together with strong and loving mothers form the backbone of a thriving nation As the very structure of the American family comes under attack Herrick advocates for a collaborative approach between moms and dads recognizing the precious contributions each parent brings to their children's lives Drawing from his experience as a father of four sons he shares his firm belief in developing good values within the home that will translate to a stronger America This thought provoking work calls for a reassessment of parenthood and its impact on our society To rescue the American family we need to begin where it all starts at home Join Philip M Herrick in understanding this urgent crisis and rekindling the spirit of unity between parents for a brighter future

Fathers across Cultures Jaipaul L. Roopnarine, 2015-08-26 This volume offers a comprehensive up to date synopsis of fathering and father child relationships in diverse regions of the world helping students and practitioners alike understand cultural variations in male parenting Interest in the role of the father and his influence on children's development and economic well being has grown considerably This edited volume uses detailed accounts to provide culturally situated analysis of fathering in cultures around the world The book's contributors a multidisciplinary group of scholars bring together the most recent theoretical thinking and research findings on fatherhood and fathering in cultural communities across developed recently developed and developing societies They address such issues as fathering and gender equality in caregiving concepts of masculinity in contemporary societies fathering in various ethnic groups immigrant fathers fathering and childhood outcomes and social policies as they affect and are affected by issues related to fathering Organized geographically the book scrutinizes major sociocultural demographic economic and other factors that influence men's relationships within families It shows how economic conditions impact men's involvement with children and considers the effects of ideological belief systems and views of spousal partner roles and responsibilities The analysis is underpinned by recent data that underscores the significance of fathers involvement with and investment in the well being of their children

Navigating Education as a Forgotten Immigrant Lisa M. Wisniewski, 2024-12-20 There is a long history of immigration from Eastern Europe to the United States that began in the 1880s Since that time significant diaspora communities have developed in the United States The members of these groups have developed businesses participated in their local communities attended colleges and universities and shared their culture Even with such active participation and growth in American life little is known about the individual community members Often these communities are forgotten within the fabric of American life Navigating Education as a Forgotten Immigrant tells the stories of these community members Each chapter shares the story of a member of the Eastern

European community living in the United States Some stories are from the perspective of a first generation immigrant while others are from second generation immigrants Their stories highlight their commitment to life in America the challenges they face their evolution of identity and what it means to live in two worlds simultaneously

**Latino Fathers** Fatima Suarez, 2025-11-04 The contemporary meaning of Latino fatherhood What does fatherhood mean in the lives of Latino men In *Latino Fathers* Fatima Suarez shifts the attention from how father involvement affects Latine children to how Latino men experience fatherhood and what being a father means to them Suarez brings attention to the social forces shaping sustaining and undermining Latino men s parenting how their views and behaviors uphold challenge negotiate and transform culturally dominant ideas of fatherhood and the lessons they teach us about the reproduction of inequality in family life Suarez focuses on the many different facets of fatherhood including work life balance parenting challenges and empathy and resentment for their own fathers Drawing on in depth interviews with 60 Latino fathers in California Suarez highlights Latino fathers familial stories of joy sorrow humor pain uncertainty and hope *Latino Fathers* provides a compassionate intimate account of a group of fathers challenging the myths about them wrestling with the tensions they experience as they negotiate cultural ideas of good fathering and the structural realities that make it both possible and difficult to meet those expectations

**Families in the U.S.** Karen V. Hansen, Anita Iltis Garey, 1998 Attempts to do justice to the complexity of contemporary families and to situate them in their economic political and cultural contexts This book explores the ways in which family life is gendered and reflects on the work of maintaining family and kin relationships especially as social and family power structures change over time
