**Strategic Retail Management and Brand Management** Doris Berger-Grabner, 2021-10-25 The retail industry and associated business models have gone through a significant phase of disruption The rapid emergence of new technologies digital business models and the evolution of social media platforms as a new sales channel continue to influence the sector Key contextual or external trends will affect and shape the retail landscape in the years to come Therefore it seems important to prepare for this situation and be ready with a head start in terms of knowledge This textbook provides its readers basic knowledge about the national and international retail sector and gives important insights into trends and developments It deals with key trends in particular new patterns of personal consumption evolving geopolitical dynamics technological advancements and structural industry shifts Moreover it explains why it is so important that retailers use these trends adapt their retail strategies and tactics create strong brands and come up with innovative new ways of doing business Today we are living in a challenging time for retail This textbook tries to give insights and explanations to better understand these challenges and provide managerial implications

*Broken Windows, Broken Business* Michael Levine, 2021-05-11 Now revised and updated this inspired impactful and important book shows how to achieve the ultimate success by rectifying the small problems that can sink a business Stephen R Covey author of *The 7 Habits of Highly Effective People* Once every few years a book comes along with an insight so penetrating so powerful and so simply demonstrably true that it instantly changes the way we think and do business Such a book is *Broken Windows Broken Business* a breakthrough in management theory that can alter the destiny of countless companies striving to stay ahead of their competition In this vital work author Michael Levine offers compelling evidence that problems in business large and small typically stem from inattention to tiny details Social psychologists and criminologists agree that if a window in a building is broken and left unrepaired soon thereafter the rest of the windows will be broken and the perception will build that crime in that neighborhood is out of control The same principle applies to business Drawing on real world corporate examples from JetBlue s decision to give fliers what they really want leather seats personal televisions online ticketing to Google s customer based strategy for breaking out of the pack of Internet search engines to business to business firms successes and failures Levine proves again and again how constant vigilance and an obsession with detail can make or break a business or a brand With tips and advice

on changing any business to one that dots its i s crosses its t s and attracts more clients Broken Windows Broken Business goes straight to the heart of what makes all enterprises successful the little things that mean a lot

**Secondary English for Generation Alpha** Lorna Smith,2025-06-13 Secondary English for Generation Alpha seeks to promote a humane responsive and creative pedagogy for English that will develop and enrich understanding and enjoyment of language in all its forms speaking listening reading and writing and help students develop into successful members of their home and wider communities Generation Alpha children born between 2010 and 2025 are growing up amid unprecedented challenges local national and global that threaten social justice The authors of this book see subject English as one means of supporting Generation Alpha to meet these challenges and provide them with the necessary skills and knowledge to fit them for a changing world Responding to tendencies to standardise and centralise curriculum pedagogy and teacher education the book explores the ways in which subject English can draw on local contexts and expertise in schools universities and communities to address local needs and interests demonstrating how what we learn locally can be relevant beyond The chapters in this volume represent work being done individually and collectively in settings across England by teacher educators in universities and other centres alongside their partnership schools By describing their own practice in English classrooms the authors hope to empower others in England but also beyond simultaneously producing both a broad and an in depth exploration of the subject Secondary English for Generation Alpha emerges from the world of initial teacher education yet takes ideas from current research and makes them relevant to teachers and those interested in English teaching in schools in any context
