Logo design workbook Sean Adams, 2004. *Logo Design* Josh Cooper, 2017-06-05. We must understand the primary purpose of logos: firstly to understand what a logo is. The aim of the design process is to make the logo immediately recognizable. The logo is one aspect of the commercial brand of any company or even economic entity. From the font to the color, the aesthetic components of a logo hugely impact how customers perceive your company. Is it attractive enough or does it repel them? Is it standing out or simply fading into the background? Does it successfully identify your brand or confusing enough to mix up with your competitors? During the research and design phase, these are all quality critical
