*Unleashing the Power of Basic Science in Business* Trivedi, Sonal, Grover, Veena, Balusamy, Balamurugan, Ganguly, Abhijit, 2024-07-26 Today's fast-evolving business landscape has created a significant challenge: the gap between basic scientific research and commercial innovation. Groundbreaking discoveries in laboratories need to translate into sustainable business solutions. The interplay between foundational scientific principles and their application in the commercial sphere is complex, making it difficult to bridge the gap. To tackle this problem, the book *Unleashing the Power of Basic Science in Business* offers a comprehensive exploration of how basic science can drive sustainable innovation in business. By bridging the gap between theory and application, this book provides a roadmap for researchers, academicians, and professionals in basic science, engineering, and management to understand and implement basic science sustainability and innovation in business. Through a diverse collection of chapters, readers gain insights into collaborative forces in innovation, ethical dimensions of basic science in commercial contexts, and the operationalization of commercial innovation. *Unleashing the Power of Basic Science in Business* guides navigating the sustainable commercialization expedition and cultivating environments for sustainable commercial success.
